ARTICLE II
Authority and Limit on Liability

Section 2.2. Limit on Liability. All liabilities incurred by the District shall be satisfied exclusively from the assets, credit, and properties of the District, and no creditor or other person shall have any right of action against or recourse to the County, its assets, credit, or services, on account of any debts, obligations, liabilities or acts or omissions of the District.

Section 2.3. Mandatory Disclaimer. The following disclaimer shall be posted in a prominent place where the public may readily see it in the District's principal and other offices.
It shall also be printed or stamped on all contracts, notes, bonds, and other documents that may entail any debt or liability by the District.

The SKAGIT REGIONAL PUBLIC FACILITIES DISTRICT is organized pursuant to RCW 36.100.010 and Resolution No. ___ of Skagit County. All liabilities incurred by the District shall be satisfied exclusively from the assets, credit, and properties of the District, and no creditor or other person shall have any right of action against or recourse to Skagit County, its assets, credit, or services, on account of any debts, obligations, liabilities or acts or omissions of the District.

ARTICLE III

Duration

The duration of the District shall be perpetual.

ARTICLE IV

Purpose

The purpose of the District is to provide a legal entity under RCW 36.100.010 to acquire, construct, own, remodel, maintain, equip, reequip, repair, finance, and operate (either directly or by contract) a Performing Arts and Conference Center ("PAC") consisting of the following components (all of which shall be included if and to the extent of available funds): a proscenium stage together with fly tower, and orchestra pit, with seating (estimated capacity of 700) in opera house configuration and one or two balconies and related lobby space and additional space for a conference facility on property to be leased from the College, including necessary parking. The Board of County Commissioners, may if then permitted by law, amend this Charter to authorize the undertaking of additional regional facilities by the District. If funding is not available to complete the entire PAC, the Board of the PAC shall undertake those components of the PAC deemed most feasible in the judgment of the Board.
To the extent appropriate and consistent with the needs and objectives of the County and the District's purpose, the District may acquire by purchase, lease or gift, and manage real property; secure financing; undertake or otherwise provide for the construction and development of the PAC; and otherwise undertake and accomplish all activities and projects necessary for the PAC and the operation of the PAC. Initially, the District shall have no purpose other than acquisition, construction, ownership, remodeling, maintenance, equipping, reequipping, repair, financing, and operation (either directly or by contract) of the PAC.

Section 5.2. Limitation of Powers. The District organized under this Charter in all activities and transactions shall be limited in the following respects.

A. The District shall have no power of eminent domain.

No funds, assets, or property of the District shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or ballot proposition; nor shall any funds or a substantial part of the activities of the District be used for publicity or educational purposes designed to support or defeat legislation pending before the Congress of the United States, or the legislature of the State or the County; provided, however, that funds may be used for representatives of the District to communicate with members of Congress, State legislators concerning funding and other matters directly affecting the District, so long as such activities do not constitute a substantial part of the District’s activities and so long as such activities are not specifically limited elsewhere in this Charter.

D. All Sales Tax Revenue, Additional Revenue, receipts, assets, or credit of the District shall be applied toward or expended for the payment of Debt Service and then for the
services, projects, and activities authorized by this Charter. No part of the net earnings of the

rendered, and reimburse Board members and others for reasonable expenses
actually incurred in performing their duties;

ii. Assist District officials as members of a general class of persons to be
assisted by a District-approved project or activity to the same extent as other

iii. Defend and indemnify any current or former Board member or employee
and their successors, spouses and marital communities against all costs, expenses,
judgments, and liabilities, including attorneys’ fees, reasonably incurred by or

action, or proceeding in which he or she is or may be made a party by reason of
being or having been a corporate official, or by reason of any action alleged to
have been taken or omitted by him or her as such official, provided that he or she

of law;

Sell assets for a consideration greater than their reasonable market value or acquisition costs, charge more for services than the expense of providing them, or otherwise secure an increment in a transaction, or carry out any other transaction or activity, so long as such gain is not the principal object or purpose of the District's transactions or activities and is applied to or expended upon services, projects, and activities otherwise authorized as corporate purposes.

E. The District organized under this chapter shall not issue shares of stock, pay dividends, make private distribution of assets, make loans to its board members or employees or otherwise engage in business for private gain.

F. This further limitation is included in this Charter in recognition of the limited sources of funding available to the District to pay the Costs of the Project, i.e., the Sales Taxes (which are anticipated to be pledged to the payment of Debt Service on Bonds) and the Donation. No additional funds of the County are available to pay Costs of the Project.
Accordingly, the District shall not enter into any contract(s) for the design, architecture, engineering, construction and furnishing the PAC, the terms of which obligate the District (directly, contingently or otherwise) for the payment of any amount in the aggregate in excess of the Maximum Amount. Prior to entering into any construction contract, the District shall employ a construction manager, having experience in managing contracts of the type being administered by the District and having the authority to approve reasonable design changes during the course of construction, it being understood that all major design decisions are subject to the approval of the Board of Directors of the District. Each contract for the undertaking of the Project shall include the following statement in bold: The contracting authority of the District is limited to the Maximum Amount, except as expressly provided in the Charter of the District. The total financial obligations of the District under this contract, together with any other contracts for the undertaking of the Project, may not exceed the Maximum Amount, and the contracting party under this contract by execution of this contract, acknowledges and agrees that all its claims under this contract may not exceed the Maximum Amount.

G. The District’s power to acquire, construct, own, remodel, maintain, equip, reequip, repair, finance, and operate (either directly or by contract) any Regional Center other than the PAC and related parking facilities is subject to the approval of the County;
