Small Works Roster

An Irrigation District may create a general Small Works Roster, or may create a Small Works Roster for different specialties or categories of anticipated work with an estimated cost of \$300,000 or less. The Small Works Roster shall consist of **all** responsible contractors who have requested to be on this list, and where required by law are properly licensed or registered to perform such work in this state. Contractors interested in being placed on the Small Works Roster must **fill** out the form below.

Note: The Small Works Roster is only for firms that perform Public Works, it is not intended for engineering, surveying, or professional services. For those services please visit the [Architects, Engineers & Surveyors page](#)
