ORDINANCE NO. 2899

AN ORDINANCE OF THE CITY OF ISSAQUAH, WASHINGTON, AMENDING THE FINANCIAL MANAGEMENT POLICY AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, the City Council adopted the City’s current Financial Management Policy on Sept. 5, 2017 (Ordinance #2805); and

WHEREAS, the federal government updated its conflict of interest regulations for procurement/purchasing processes for entities receiving federal funds effective Dec. 26, 2014; and

WHEREAS, the federal government gave entities receiving federal funds a three-year grace period from the effective date of the regulations to incorporate the new regulations into their financial policies and that three-year grace period ended on Dec. 26, 2017; and

WHEREAS, Section 4.0 of the Financial Management Policy establishes procurement/purchasing standards for the City of Issaquah; and

WHEREAS, the Dec. 26, 2014 federal conflict of interest regulations are not currently included in Section 4.0 of the City’s Financial Management Policy; and

WHEREAS, the State Auditor’s Office identified this deficiency in Section 4.0 of the Financial Management Policy in late 2017 as part of its audit of the City’s 2016 financial statements: and

WHEREAS, the City avoided an audit finding or formal recommendation for being out of compliance with this federal regulation on its 2017 audit because it was not subject to an audit on its federal spending because the City spent less than $750,000 in federal monies; and

WHEREAS, the City is subject to an audit on its federal spending in 2018 because it spent more than $750,000 in federal monies; and
WHEREAS, the State Auditor’s Office has notified the City it will receive an audit finding on its 2018 financial statements because the City continues to lack language in its Financial Management Policy to address the change in federal regulations; and

WHEREAS, the continued absence of language to reflect the change in federal regulation may also result in an audit finding for 2019; and

WHEREAS, the City is committed to making the changes necessary to its financial management practices to avoid future audit findings; NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF ISSAQUAH, WASHINGTON DO ORDAIN AS FOLLOWS:
