   In the event the CONTRACTOR fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, then the CONTRACTOR authorizes the CITY to deduct and withhold, or pay over to the appropriate governmental body, those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the CONTRACTOR’S total compensation.

3. The parties agree that Contractor is an independent contractor, and not an employee nor agent of the City. Contractor hereby agrees not to make any representations to any third party, nor to allow such third party to remain under the misimpression that Contractor is an employee of the City. All payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by
the Contractor as an independent contractor. Contractor will defend, indemnify and hold harmless the City, its officers, agents or employees from any loss or expense, including but not limited to settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the City at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the City.
