I. Purpose

The City of Tumwater ("City") is soliciting statements of qualifications and performance data for website design and development services for the City. The City's needs are outlined in the following Request for Qualifications ("RFQ"). The City is seeking a qualified website development vendor to replace the existing website.

The City's emphasis is on incorporating extensive content management tools and database driven architecture while providing a user-friendly, widely accessible (devices and browsers), intuitive site structure, and an interface that is both attractive and ADA compliant. The City's website URL is currently www.ci.tumwater.wa.us, but could transition to a new URL upon the launch of a new website.

II. Overview

A. The City of Tumwater is seeking to update its website to enhance the user experience, simplify content management, and provide better information and customer service to its residents and businesses, while meeting high standards for design quality and visual appeal.

B. Effective websites provide dynamic content that keeps users engaged and informed. The City seeks to expanding channels of communication to streamline messaging through online tools, including social media. Content sought by users must be easily found and navigation remains user friendly.

C. The City would like to decentralize website content management to designated content editors within City departments under the oversight of the City’s Communications and Marketing Specialist. The City seeks to integrate current third party web applications into the new site for recruitment, archiving, and other city services.

D. The City of Tumwater seeks the assistance of a web design and development vendor ("Vendor") that can accomplish all of the functionality identified in this RFQ, but has the flexibility of providing this functionality over time, if needed due to budgetary constraints. The City also seeks a service provider that has the capability of integrating additional features that may be needed in the future.

III. Time Schedule

The City will follow the timetable:

- Issue RFQ: January 28, 2013
- Deadline for submittal of responses: February 20, 2013, 4:00 p.m. PST
- Selection of Vendor to interview: February 22, 2013
- Web vendor interviews (online or in person): February 28, 2013
- Notify vendor selected: March 7, 2013
IV. Instructions to Respondents

A. All responses to RFQs shall be sent to:

Melody Valiant, City Clerk
City of Tumwater
555 Israel Road S.W.
Tumwater, WA  98501
(360) 754-4238
mvaliant@ci.tumwater.wa.us

B. Please place six (6) copies of your response and performance data in a sealed envelope and clearly label in the lower left corner "City of Tumwater Website Design and Development RFQ." No faxed, emailed, or telephone statements will be accepted.

C. All responses must be received by Wednesday, February 20, 2013, at 4:00 p.m. PST, at which time they will be opened.

D. Responses should be prepared simply and economically, providing a straightforward, concise description of provider capabilities to satisfy the requirements of the request. Special bindings, colored displays, promotional materials, etc. are not desired. Emphasis should be on completeness and clarity of content. Use of recycled paper for requests and any printed or photocopied material created pursuant to a contract with the City is desirable whenever practicable. Use of both sides of paper sheets for any submittals to the City is desirable whenever practicable.

E. Heidi Behrends Cerniwey, Communications and Marketing Specialist or representative will notify the Vendor selected by March 7, 2013.

F. Any questions concerning the City's specifications or RFQ process shall be directed in writing to Heidi Behrends Cerniwey, Communications and Marketing Specialist, at hcerniwey@ci.tumwater.wa.us.

G. All RFQ responses must include the following information:

   a. Under section VII. Scope of Services, complete and return response to items 1-6.
   b. Include a project approach summary for building a municipal website.
   c. Include a sample project schedule for building a municipal website, with a preferred go-live date of September 1, 2013.
   d. Include pricing range/cost for services outlined.
V. Selection Criteria

Your response will be evaluated as follows:
