The issue before the City Council is authorizing the Mayor to sign Resolution No. 11-09 (Attachment A) approving a four-year collective bargaining agreement (Agreement) with Teamsters Local 763, representing the City's public works and clerical workers.

The staff recommendation is to authorize the Mayor to sign Resolution No. 11-09 approving the terms and conditions of the collective bargaining agreement with the City’s public works and clerical workers effective January 1, 2011 through December 31, 2014, authorizing the Mayor to execute the collective bargaining agreement on behalf of the City.

The City's contract with the public works and clerical workers expired on December 31, 2010. The City and Teamsters have been bargaining in good faith and the parties have reached an agreement.

If the Council chooses not to approve the proposed resolution, the parties would return to the bargaining table to continue negotiations seeking to finalize an Agreement as quickly as possible.

Under RCW 41.56 et al, public employees may form bargaining units or labor unions to represent them in collective bargaining negotiations with the City regarding wages, hours and working conditions. The City is obligated to engage in collective bargaining with the employee's designated representative. Teamsters Local 763 represents the City’s public works and clerical employees.
DISCUSSION:

In general, the city negotiated significant concessions from the bargaining unit. The primary wage and benefit changes are outlined below. The city council’s goal was to hold the line on costs and reduce expenses. If the following proposals are acceptable to Council, Council’s goal will be achieved.

4.5  Overtime. Delete sick leave as hours worked towards overtime.

4.6.1 Standby Duty. Employees on standby pay receive flat amount of $200 per week (instead of basing pay on employee’s hourly rate). Net savings $6,983.60 per year.

9.1.4.1 Sick Leave Buy Back. Eliminate sick leave buy-back if implemented for non-represented employees. Eliminates unfunded liability to the city.

10.1 Medical and Dental Insurance.

1. Agree to new AWC medical insurance policy that will save City money = $798.71 per month. Health First = $568/employee/month. AWC Plan B = $611/employee/month

2. Increase employee contributions by 5% (95/5 split between employee and employer). Begins cost share for employees. $28.40 month/employee x 10 employees = 284/month x 12 months = $3,408/year

3. Switch to Teamster’s dental and vision plans. Teamster’s dental plan more expensive than AWC (by $351.03/mo.), but vision plan is less expensive (by $96.00/mo). Historically, cost of Teamster’s plans have been more stable than AWC plan.

Net savings to City of $543.68 per month. $6,524.16 per year.

11.1 Footwear. City shall reimburse community service officer up to $250 every two years or as needed for the cost of work boots. (This is based on the community service officer being part-time). If the community service officer is full time they shall be reimbursed as outlined in section 11.1.

11.2.1 Uniforms. Add building inspector and custodian to list of employees receiving uniforms.

11.2.2 Provide Community Service Officer with specified clothing items and replace as needed.

17.1 Duration. 4-year contract.
Appendix A. Wages.

2011 0%
2012 0%
2013 2.5% “floor” and 6.0% “ceiling”
2014 2.5% “floor” and 6.0% “ceiling”

FISCAL IMPACT:

Overall, the City achieved its primary goal to lower long-term costs. The savings is $16,939 for the first 12 months of the contract and $67,756 over the 4-year agreement.

The Employer is able to properly staff the employee's job duties during the time-off period.

The wage cost to the Employer is no greater than the cost that would have been incurred had the Union Steward not taken time-off; and

Union Stewards shall not transact Union business while working on shift which in any way interferes with the operation or normal routine of any department.
11.6 Higher Classification - In the event an employee performs substantial amounts of duties of work in a higher classification than that to which they are regularly assigned, they shall be paid at the rate of one hundred fifteen percent (115%) of the employee's regular rate of pay for the period worked in that classification, provided the employee has worked in the higher classification for a period of not less than five (5) consecutive workdays.

ARTICLE XII MAINTENANCE OF STANDARDS

12.1 No employee shall suffer a reduction in wage rate compensation as a result of this agreement.

The Employer agrees not to enter into any agreement or contract with his employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such agreement shall be null and void.

The Employer must not make unilateral changes in wages, hours or other terms and conditions of employment of unit employees, without prior good faith consultation with the Union, concerning the effects of such changes.

Any disagreement between the Union and the Employer with respect to this matter shall be subject to the grievance procedure.

ARTICLE XIII DISCIPLINARY ACTION/WARNING LETTER

13.1 The Employer may not discharge or otherwise discipline employees except for just cause. Prior to suspending or discharging an employee for unsatisfactory work performance, the Employer shall give the employee a written notice of the employee's unsatisfactory work performance, in accordance with the procedures set out in the personnel ordinance. Discipline shall be administered by the Employer within a reasonable time after the Employer acquires knowledge of the offending conduct. Notices of disciplinary action not expressly made a permanent part of an employee's record shall be removed from the employee's file after the later of twelve (12) months or the probationary period specified in the disciplinary notice, if there have been no further disciplinary actions of a similar nature. Copies of all disciplinary action notices shall be forwarded to the Union at the time it is given to the employee; provided however, the Employer's inadvertent failure to do so shall not negate the disciplinary action.

The Employer may not discharge or otherwise discipline employees except for just cause.
The Employer shall adhere to the principles of progressive discipline (verbal warning (which will be documented), written warning, suspension, termination). Further the Employer shall not discharge, discipline, demote or suspend any employee without having previously issued a written warning notice to the employee affected, wherein the facts forming the grounds for such warning notice are clearly set forth. The facts therein set forth must be of the same type as those upon which such suspension or discharge is founded. In cases of proven dishonesty, drinking of alcoholic beverages while on duty, theft, gross insubordination, selling, transporting, or using illegal narcotics on duty or other conduct of parallel magnitude may result in immediate discharge without the necessity of a warning letter being in effect. Warning (verbal and written) notices shall not remain in effect for a period of more than eighteen (18) months from the date of said warning notice. Warning notices, to be considered valid, must be issued/presented within ten (10) working days after the discovery of the occurrence claimed by the Employer in such warning notice. Provided the employee is available to receive such warning notice.

Disciplinary notices (i.e. (verbal and written) warning) shall not remain in effect for purpose of progressive discipline for a period of more than eighteen (18) months from the date of said notice. A copy of any disciplinary action shall be sent to the Union at the time it is issued to the employee. At the end of the eighteen (18) month period the original notice shall be removed from the employees personnel file.

Suspension notices shall not remain in effect for the purpose of progressive discipline for a period of more than thirty six (36) months from the date of said notice. At the end of the thirty six (36) month period the original notice shall be removed from the employees personnel file. A copy of any disciplinary action shall be sent to the Union at the time it is issued to the employee.

The intent of progressive discipline is to assist the employee with performance improvement or to correct misconduct.

Verbal counseling and performance evaluations shall not be considered disciplinary action.

ARTICLE XIV GRIEVANCE PROCEDURE

14.1 The sole and exclusive method of adjusting all matters pertaining to the proper application and interpretation of any and all of the provisions of this Agreement shall be by utilizing the following procedure:

A grievance shall be defined as claim or dispute with respect to the interpretation, application or claim of violation of the provisions of this Agreement. All grievance time frames shall be held in abeyance when the parties have mutually agreed.

In the event of a grievance the following procedure shall be used:
14.2 Step One - The Union shall present the grievance in writing to the City Administrator and/or the Mayor within fifteen (15) calendar days of its occurrence, or the date the employee should have reasonably known of its occurrence, or it shall not be subject to the grievance procedure. The Employer shall attempt to resolve the grievance within ten (10) calendar days. If not so resolved, the grievance shall proceed to Step 2.

Step Two - In the event of the failure of the Union and City Administrator and/or the Mayor to reach a satisfactory adjustment to the grievance within ten (10) days from the date a grievance is filed in writing, either party may refer the matter within ten (10) business days to a third (3rd) neutral party, who shall serve as an impartial arbitrator. In the event the Union and Employer cannot mutually agree upon the third neutral party, they shall petition the Public Employment Relations Commission to submit a list of seven (7) names of qualified arbitrators from which the parties shall alternately strike names until only one (1) name remains, who shall be the arbitrator. The right to strike first shall be determined by the flip of a coin. The remaining name shall serve as the impartial arbitrator who shall conduct a hearing and issue a decision which shall be final and binding upon all parties to the dispute. The arbitrator may only render a decision on issues addressed within this Agreement. The arbitrator shall be notified of his/her selection by a joint letter from the Union and the Employer requesting the arbitrator shall hold a hearing and issue a decision which shall be final and binding on both parties. The authority of the arbitrator shall be specifically limited to the matters submitted to the arbitrator and the arbitrator shall have no authority in any manner to amend, alter, modify or change any provisions of this agreement. The arbitrator shall submit his/her decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof.

14.3 Nothing herein shall prevent an employee from seeking assistance of the Union or the Union from furnishing such assistance at any stage of the grievance procedure.

14.4 Each party shall bear the expense of representation in presenting its own case. The expenses of the arbitrator shall be borne equally by the Employer and the Union.

14.5 The expenses of the arbitrator, the cost of any hearing room and the cost of the shorthand reporter shall be borne equally by the Employer and the Union.

14.6 No employee shall be discriminated against for providing testimony or evidence that becomes part of a grievance or arbitration.

14.7 If the Employer is the grieving party, the same procedure set forth above shall apply except the roles of the Union and the Employer shall be reversed.
ARTICLE XV MANAGEMENT RIGHTS

15.1 The Union recognizes the prerogative of the Employer to operate and manage its affairs in all respects in accordance with its responsibilities and the powers and authority the Employer may possess subject to the terms of this Agreement.

15.2 Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer, and as such, maximized performance is recognized to be an obligation of employees covered by this Agreement. In order to achieve this goal, the parties hereby recognize the Employer's right to determine methods, processes and means of providing municipal services, to increase, diminish or change municipal equipment, including the introduction of any new, improved or automated methods of equipment and the assignment of employees to specific jobs within the bargaining unit in accordance with their job classification or title. Other examples of management prerogatives are the right to hire, promote, discharge for just cause, improve efficiency and determine the work schedules and location of department headquarters.

15.3 The Union recognizes the Employer's right to establish performance standards as contained in the job descriptions. Such standards may be used to determine acceptable performance levels and to prepare work schedules. Performance standards shall be reasonable.

ARTICLE XVI SEPARABILITY AND SAVINGS

16.1 It is the intention of the parties hereto to comply with all applicable provisions of State or Federal law, and they believe that each and every part of this Agreement is lawful. All provisions of this Agreement shall be complied with unless any of such provisions shall be declared invalid or inoperative by final judgment of any Court. In such event, upon request, the parties shall meet for renegotiation of such invalid provisions for the purpose of adequate and lawful replacement thereof.

If any provision of this Agreement shall be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance or enforcement of any provision should be restrained by such tribunal pending final determination as to its validity, the remainder of this Agreement shall not be held invalid and shall remain in full force and effect. Upon the request of one (1) party to the other, the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such invalid provision.

ARTICLE XVII DURATION

17.1 This Agreement shall be effective January 1, 2011 and shall remain in full force and effect through December 31, 2014. It is agreed that contract negotiations shall commence no later than June 30, 2014.
