

RESOLUTION NO. R- 92 -08

A RESOLUTION AUTHORIZING THE DIRECTOR OF PUBLIC WORKS OR HIS DESIGNEE TO DECLARE A SNOW EMERGENCY WHEN DEEMED NECESSARY AND ADVISABLE FOR THE PURPOSE OF ENSURING THE SAFE PASSAGE OF VEHICLES ON CITY STREETS.

WHEREAS, Pullman City Code Subsection 1.18.040(8) provides that the Public Works Director shall have charge of and supervision over all city streets and sidewalks; and,

WHEREAS, winter weather conditions may make it necessary and advisable to impose emergency parking restrictions on city streets in order to permit the Public Works Department to properly remove snow and apply deicing or traction materials to the street surfaces; and

WHEREAS, the City Council deems it necessary to authorize the Public Works Director to impose parking restrictions on any and all city streets by public proclamation of a snow emergency, provided appropriate measures must be taken to inform the general public of the emergency parking restrictions so as to allow residents and visitors to voluntarily move vehicles from any restricted street or roadway; now, therefore,

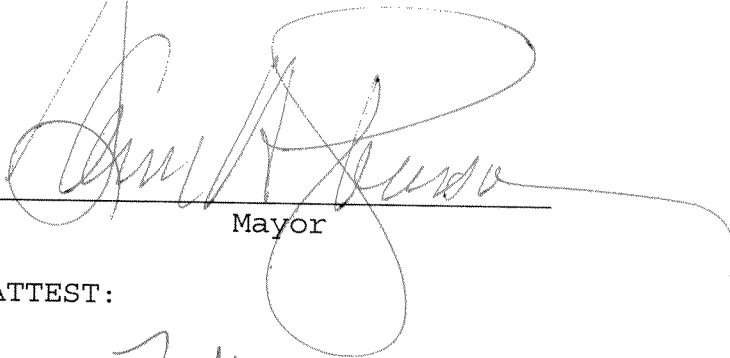

IT IS HEREBY RESOLVED by the City Council of the city of Pullman that the Public Works Director is authorized to declare a Snow Emergency and to impose emergency parking restrictions upon any and all city streets and parking lots and to require the removal of any vehicle from the restricted street or parking lot if, in the opinion of the Public Works Director or his designee, said vehicle is impeding the removal of snow or the application of appropriate deicing or traction materials on the roadway or parking lot.

BE IT FURTHER RESOLVED that the Public Works Director shall adopt procedures for the education of the public on the effect of a Snow Emergency, for publication and notice to the general public of the declaration of a Snow Emergency, and to provide all citizens and visitors with

information and advice on the streets and parking lots impacted by the Snow Emergency declaration.
