1.0 Introduction

Anchorage Parks & Recreation (APRD) is faced, more frequently as time passes, with offers from private businesses and corporations interested in sponsorship of programs, facilities and other aspects of parks and recreation business. We, in turn, welcome partnership opportunities that enhance our ability to deliver parks and recreation services to the public as long as the services and products of those businesses are consistent with and appropriate to our mission and lines of business.

- 1.1 It is pragmatic in a time of shrinking public dollars to seek outside funding in order to maintain valuable and important programs and facilities, within specific boundaries and with built-in safeguards against misuse of this tool. This policy captures an activity previously not subject to guidelines.
- 1.2 This policy sets out guidelines for entering into corporate sponsorship agreements. Corporate sponsorships are distinct from corporate donations or gifts for which there is no recognition or compensation.

2.0 Purpose

- 2.1 To outline the guidelines and procedures for entering into corporate sponsorship agreements.
- 2.2 To recognize that corporate sponsorships provide an effective means of generating new revenues and alternative resources to support APRD programs and facilities.
- 2.3 This policy is not applicable to gifts, grants or unsolicited donations in which no benefits are granted to the corporation and where no business relationship exists.
- 2.4 This policy is not applicable to events authorized by a Special Events Permit issued by the Municipality of Anchorage.
