Dear Applicant:

Attached are the rules, requirements and application packet for a Special Event Permit. If you would like to hold a special event on City of Moses Lake property, you will need to read the attached documents and submit a completed application to this office at least 60* days prior to your event. The $75.00 non-refundable processing & review fee, a map and/or drawing of the event setup, and a letter describing your event in full detail must be submitted with the completed application. Late applications will require additional non-refundable fees. Applications submitted less than sixty days prior to the proposed event will be an additional $25 and those event applications submitted less than 30 days prior to proposed event will be an additional $75. We can provide you with an aerial map of the proposed event if that would be helpful. Your application must include a valid Certificate of Insurance and a valid Additional Insured Endorsement and must be submitted a minimum of sixty (60) days prior to your event. The Additional Insured Endorsement must specifically list the City of Moses Lake as an additional insured on your insurance policy; it cannot be a blanket generic endorsement. If you cannot provide the required insurance documentation sixty (60) days prior to your event, we require a letter from your insurance broker (on company letterhead) stating that your policy is in progress and that the appropriate documentation will be delivered to the city no less than 14 days prior to proposed event. A sample of each of these documents is attached.

Please do not hesitate to contact us if you have any questions.

Thank you for choosing to hold your event in Moses Lake. This information packet will assist you in your application process and obtaining all required authorizations for your event. It is your responsibility to read this packet in its entirety to ensure you understand the rules and necessary requirements for holding a Special Event on property owned by the City of Moses Lake. The City of Moses Lake will review all requests and make a decision to permit the event based on the following considerations:

- Safety of pedestrians and vehicles
- Overall impact on street access and traffic
- Impact of other activities happening (other events, construction) on the date(s) requested
- Availability of City personnel and resources

In the case of a schedule conflict or multiple events impacting a specific location, priority is given to City of Moses Lake events, to established events and then to all others on a first-come, first-served basis.

* Memorial/Funeral events that recognize a recently deceased individual are exempt from the 60 day submission requirement due to the timing and nature of such activities.
**Definition of a Special Event**

A “Special Event” Means:

1. Any organized formation, parade, procession, demonstration or assembly which may include persons, animals, vehicles, or any combination thereof, which is to assemble or travel in unison on any street, sidewalk or other public right-of-way owned or controlled by the City which does not comply with applicable traffic regulations, law or controls.
2. Any organized assemblage of seventy-five (75) or more persons at any public place, property, or facility which is to gather for a common purpose under the direction or control of a person.

**When do I need a Special Event Permit?**

Examples of special events include, but are not limited to, concerts, parades, circuses, fairs, festivals, block parties, street fairs, community events, on the water activities (such as boat races) mass participation sports (such as marathons and other running events), athletic or sporting events, and community celebrations and observances conducted on public property or public rights of way.

**Application Process and Fees**

If your event meets the criteria for a Special Event as outlined and you would like to apply for a Special Event Permit, you will need to submit a completed application to the Moses Lake Parks and Recreation Department (“MLPR”) a minimum of sixty (60) days prior to your event. This will allow for necessary internal review and analysis, consultation with local governments and other City departments, public notice, establishment of permit conditions, and required MLPR park/facility preparations and coordination. Applications submitted less than 30 days prior to the event may be denied or subject to additional review fees. The application must be accompanied by the $75 nonrefundable fee, a map/drawing showing where the different components of your event will be set up at the event location, and a letter describing your event in detail. Allow 60 days for staff review. Additional documentation may be required as outlined in the “Additional Requirements” section depending on the components of your event. **Proof of liability insurance must be submitted to MLPR a minimum of sixty (60) days prior to the event. Insurance coverage must be in the amount of at least one million dollars ($1,000,000) (combined single limits per occurrence), two million dollars ($2,000,000) aggregate naming the City of Moses Lake as additional insured is required prior to application approval.** **Proof must include BOTH a Certificate of Insurance document and an Additional Insured Endorsement document specifically listing the City of Moses Lake as additional insured for the event.**

Please type or print information on application clearly and attach additional sheets as necessary. If we are unable to reach you because your contact information is illegible, we will not be able to approve your event. The Director shall approve or disapprove a permit application and establish the conditions for an approved application. The Director shall determine the need for any reimbursement or payment necessary to cover costs incurred by MLPR for staffing, equipment, facilities, or special services not normally provided by MLPR, as well as the need for any bond, damage deposit, or liability insurance arising from any potential hazards associated with the conduct of the event. Any such fees, bond, damage deposit, or liability insurance shall be provided by the applicant prior to the issuance of the permit. If additional unanticipated costs are incurred by MLPR resulting from the event, the applicant shall reimburse MLPR for such costs in a timely manner. If the Director approves your event as set forth in your initial submission packet, approval will be contingent upon receiving valid proof of insurance as stated above. If valid proof of insurance is not received your event cannot be held on City property.

**Please be advised it is not the responsibility of MLPR staff to follow up with you to ensure you submit proof of insurance in a timely manner. If proof is not received, MLPR is required by the City Attorney and the City Manager to deny your event, even if you have advertised the event to the public. Any and all costs associated with the cancellation of the event will be the sole responsibility of applicant and/or event sponsor.**
Submittal of this application in no way constitutes the City of Moses Lake’s approval of the event. Permits are issued at the discretion of the City of Moses Lake upon thorough application review. The City of Moses Lake reserves the right to reject any Special Event Permit Application for any reason. Please be advised that any misrepresentation in the application or deviation from the final agreed upon route and/or method of operation described herein may result in the immediate revocation of the permit.

**Additional Requirements**

A Special Event Permit does not negate the additional requirements of obtaining the proper Zoning, Health, Alcohol, Tent, Park, Vendor, Sales and Amusement Ride Permits for an outdoor event. You will be responsible to contact the relevant agencies for other specific permits and/or licenses as listed below.

**Alcohol**
Alcohol is prohibited on City of Moses Lake property unless a valid banquet permit has been issued. Applicant(s) must apply for and be granted a banquet permit to serve alcohol at an event on public property. Washington State Liquor and Cannabis Board (WSLCB) has authority over issuance of banquet permits. See: [https://lcb.wa.gov/licensing/banquet-permits](https://lcb.wa.gov/licensing/banquet-permits). All necessary documents must then be submitted to the MLPR at least sixty (60) days prior to the event. The documents can be mailed to MLPR, PO Box 1579, Moses Lake, WA 98837, or they can be delivered by hand to the MLPR office located at 411 S. Balsam, Moses Lake, Washington. *We do not allow alcohol at Montlake Park under any circumstances.*

**Amplified Sound/P.A. System/Concert/Live Music**
Amplified sound and live music is regulated by local ordinance. As an event organizer, you must be certain that all event-related activities comply with local laws applicable to noise abatement. Please be aware that loud and unreasonable noise (including music) is a violation of State law. A police officer who determines that noise is offensive to others may require you to lower or discontinue the noise. Also, the police may order musical entertainment to end if it incites a crowd or has the potential for unruly and risky behavior. Please refer to the City of Moses Lake’s website at [www.cityofml.com](http://www.cityofml.com) for the City’s Noise Ordinance information. Click on Municipal Code, then Chapter 8.28 – Noise Control.

**Business License**
“Business, trade of profession” means any activity or venture carried on for profit or held out as a service for fees whether paid in cash or by means of barter or trade. Anyone engaging in business in the City of Moses Lake must obtain and be the holder of a valid business license. Refer to Moses Lake Municipal Code Title 5 on the City’s website at [www.cityofml.com](http://www.cityofml.com). Click on Municipal Code, then Title 5 Business Licenses and Regulations. Please contact Community Development Department at (509) 764-3750 for further information. See Selling of Goods or Services/Vendors below.

**Equipment**
Expenses related to barricades, traffic control devices, portable toilets, garbage receptacles and removal are the responsibility of the event organizer. See Garbage/Recycling and Portable Toilets below.

**Event Staff**
Large scale events will be assigned Parks & Recreation Department Special Event Staff who will visit your event to assist with coordination of details, etc. They will also confirm that your actual event reflects those details included in your permit application. Serious deviation from Special Event Application details may result in immediate cancellation of your event and potential future events.

Special Event Staff will also make every effort to stop by smaller events when possible.
Fire Safety
In order to ensure a safe and enjoyable time for all at your event, the Moses Lake Fire Department requires you to contact them at (509) 764-3848 for permit information. A Fire Department permit and an on-site inspection may be required before the event can be held.

Fireworks
Fireworks are regulated by local ordinance. Please refer to the City of Moses Lake’s website at www.cityofml.com for the City’s Firework Ordinance information. Click on Municipal Code, then Chapter 8.04 – Fireworks.

Food/Barbeque/Caterer
Required permits must be obtained and displayed for food preparation, handling and distribution. If an event is being catered by a food establishment, the food establishment is responsible for obtaining a food permit for the event. If you or your organization is providing food, you will need to contact the Grant County Health District at (509) 754-6060 to find out what, if any, type of food permit is required for your event. See Selling of Goods or Services/Vendors below if food or merchandise will be sold at the event.

Garbage
Additional garbage cans must be provided if existing public receptacles are not adequate to handle the volume of waste generated by the event. The event organizer is responsible for cleanup and restoration of City property following the event. Most events will necessitate rental of one or more dumpsters to be located on site during and immediately following your event. See additional form in this packet. The City will charge the event organizer for staff time at overtime rates for any additional cleanup that is required following the event. If you would like to rent garbage cans from the City of Moses Lake Parks and Recreation Department, the cost is $10.00 per garbage can. Please be sure to indicate on the application how many garbage cans you are requesting. If your request cannot be approved for any reason, we will let you know.

Map and/or Drawing of Event Setup
You must provide a map and/or drawing of the event setup (in 8 ½” x 11” or 8 ½” x 14” standard format) with your completed application. MLPR can provide you with an aerial map of the appropriate park upon request. Based on your event setup and components, City of Moses Lake Fire Department may require an inspection of your venue at your cost before and/or during the event. For more information or assistance please contact the City’s Fire Prevention Division at (509) 764-3848 prior to submission of your map.

You must identify all structures proposed for the event on the map, including portable structures, prefabricated structures or on-site building structures such as bleachers, elevated platforms, temporary pedestrian bridges, tents and membrane structures as well as other similar structures. In addition, please identify all fire lanes, emergency fire access, all cooking locations, location of fire hydrants, location of LPG/propane tanks and generator locations.

Picnic Tables
Most of the City of Moses Lake’s parks have picnic tables available for public use. If you require more tables, you can rent them for $20.00 each. Please be sure to indicate on the application how many tables you are requesting. If your request cannot be accommodated for any reason, we will advise you of the limitation(s).

Portable Toilets
Large events may be required to provide portable toilets and hand-washing stations for attendees. If you would like to rent a portable toilet from the Moses Lake Parks and Recreation Department, the cost is $65.00 per toilet. Please be sure to indicate on the application how many toilets you are requesting. If your request cannot be accommodated for any reason, we will let you know.
Selling of Goods or Services/Vendors
Any time a vendor or individual will be accepting money for merchandise or services, applicant will need to notify MLPR and submit a written request. The letter should be addressed to MLPR, PO Box 1579, Moses Lake, WA 98837. The letter can also be delivered by hand to MLPR’s office, located at 411 S. Balsam Street. A percentage of all gross commercial sales (food, beverages, admission fees, souvenirs, goods and services) on City of Moses Lake property must be remitted to City of Moses Lake Parks and Recreation Department within 10 days following the event. The required amount is 15% of gross sales for all for-profit organizations and 10% of gross sales for all non-profit organizations. Non-profit organizations must submit proof of 501(c)(3) or (c)(6) tax-exempt status from the Internal Revenue Service. Applicant will be required to sign a Concessionaire Agreement prior to the event. Also refer to Business License above.

Signage/Banners
Banners, pennants, flags, signs, streamers, inflatable displays and similar devises are regulated by local ordinance. The number and location for these items must be included in your site map and must receive approval from the City of Moses Lake. In certain areas and under certain conditions these items are prohibited. Please refer to the City of Moses Lake’s website at www.cityofml.com. Click on Government, Sign Placement Standards – City Property.

Street Closure
Any event involving street closures altering traffic flow (such as a race, march, fun run, parade, etc.) must be approved by the appropriate City staff. Applicant must submit a letter to MLPR requesting the street closure and describing the event in full detail. The letter should be addressed to MLPR, PO Box 1579, Moses Lake, WA 98837. The letter can also be delivered by hand to MLPR’s office located at 411 S. Balsam Street. See additional requirements A-C below. It is your responsibility during your event to place the actual street barricades, traffic cones, etc. The City of Moses Lake does not provide this service to you. Following the conclusion of your event, you are responsible for removal of street barricades, traffic cones, etc.

A) Each application for a special events permit which includes a request for a closure (or partial closure) of a street or intersection shall include the following:
   1. Indemnity. The applicant shall be required to sign a statement that he or she shall defend, indemnify and otherwise hold harmless the City of Moses Lake, its officers, employees and agents from any and all claims or liability arising from the City’s grant of permission for or the actual conduct of the special event associated with, and including, such street closure.
   2. Insurance. The applicant shall provide evidence of liability insurance coverage, for review by the City.

B) Each street closure request contained within an application for special event shall be reviewed by the Municipal Services Director (or designee), the Police Chief (or designee) and the City Fire Chief (or designee). They shall determine if requested street or intersection closures will be allowed, together with any additional requirements for or traffic flow, public safety, access or public notice.

C) They shall approve an application for a street or intersection closure which satisfies the requirements set out in subsection A, above; together with such other requirements as they may impose, pursuant to subsection B, unless it finds one or more of the following conditions, in which case the application shall be denied:
   1. That the closure is likely to unreasonably interfere with vehicle or pedestrian traffic flow; or
   2. That the closure is likely to create an immitigable danger to vehicular or pedestrian traffic; or
   3. That the closure will cause irrevocable interference with previously approved and/or scheduled construction, maintenance or other activities; or
   4. That the closure will seriously inconvenience the general public’s use of public property, services or facilities; or
   5. That there are not sufficient public safety personnel or other necessary city staff to accommodate the closure so that it may occur in a reasonably safe manner; or
   6. That the closure would endanger public safety or health; or
7. That the closure would likely cause unreasonable damage to public properties or facilities; or
8. That the closure is not necessary to accommodate an event or activity sponsored by a public entity or available to the general public for the period of the closure.

Use Policies and Regulations for Outdoor Special Events

1. User will be required to obtain any required city, county or state permits and to meet and abide by any local and state regulations and laws. All related costs associated with the above will be covered by the user.
2. Proof of liability insurance in the amount of at least one million dollars ($1,000,000) (combined single limits per occurrence), two million dollars ($2,000,000) aggregate naming the City of Moses Lake as additional insured is required prior to application approval. Proof of insurance constitutes BOTH a valid Certificate of Insurance and a valid Additional Insured Endorsement. Both documents must specifically list the City of Moses Lake as Additional Insured on the applicant’s insurance policy for the event. Certificate must cover all aspects of the event. (i.e. contracted food service and/or other event related activities must be included in event coverage details on the certificate or a separate certificate that covers that aspect of the event must be provided) Failure to provide either of these documents will result in your event being denied, even if event has been advertised to the public.
3. Users cannot discriminate as to access into the park and the activity.
4. The Moses Lake Parks and Recreation Department reserves the right to restrict the use of the park due to its condition and inclement weather. The purpose of this restriction is to assure the park is not damaged by an event to such a degree that repairs and renovation would be very costly and time consuming, and potentially curtail public use of the park.
5. User is required to clean up area of use at the end of the reservation period. Failure to clean up or damages may result in the user being charged for the City’s staff time at overtime rates for any additional clean up the City is required to do following the event.
6. User shall be responsible for damage and/or loss of City property and will be charged at the entire cost of repair or replacement, including any labor expenses.

Grounds for Permit Denial

Reasons for denying a permit include, but are not limited to:

♦ The event, as presented, cannot function safely.

♦ The City did not receive proof of adequate insurance from the applicant a minimum of sixty (60) days prior to the event.

During our review of the documents, we will access the Washington State Secretary of State’s website to verify signatory authority for the organization. See: https://ccfs.sos.wa.gov/#/
♦ The diversion of police and fire resources to support the event would deny reasonable fire and police protection to other parts of the City.
♦ The proposed event would unreasonably disrupt the orderly or safe circulation of traffic as would present an unreasonable risk of injury or damage to the public.
♦ The applicant provides false or misleading information; the applicant fails to complete the application or to supply other required information or documentation; or the applicant declares or demonstrates an unwillingness or inability to comply with the reasonable terms or conditions contained in the proposed permit.
