1.0 OBJECTIVE

The City of Bellingham is seeking proposals for a contractor to provide rental services as follows:
- Rental of human powered watercraft from Lake Padden Park.

Summary - The City of Bellingham seeks the most advantageous proposal for a human powered watercraft rental concession at Lake Padden Park, located 4882 Samish Way, Bellingham, WA 98229 (see Exhibit "A"). The desire of the City is to increase recreational opportunities by providing residents of Bellingham, surrounding communities and visitors with the opportunity to rent a kayak, canoe, paddleboard or pedal boat to explore Lake Padden with equipment that is professionally managed and expertly maintained, and to receive the necessary instruction to use the equipment properly. The City's goal is to award a one-year concession contract with the option to renew for an additional one (1) year to an individual or business entity. The purpose of issuing this RFP is to act in the best interest of the public by having this recreational use operated by a qualified Proposer at no cost to the City, and to reasonably ensure an up-to-date inventory of non-motorized boats for rent at Lake Padden Park that meets the need and demand of the public, and to promote increased visitation to Lake Padden Park through marketing these services.
