AN ORDINANCE OF THE CITY OF OTHELLO AMENDING SECTION 170 OF
CHAPTER 17.56 TITLED “PROHIBITED USES”

WHEREAS, on November 6, 2012, the voters of the State of Washington approved
Initiative Measure No. 502 (“I-502”), now codified within Chapters 69.50, 46.04, 46.20, 46.21
and 46.61 RCW, which, among other things, authorized the possession and recreational use of
limited amounts of marijuana, and promulgation of regulations and issuance of licenses by the
Washington State Liquor Control Board (“LCB”) for the production, processing and retailing of
marijuana.

WHEREAS, WAC 314-55-020(11) promulgated by the LCB under the authority of I-502
describes the license permit process and includes the following limitation: “(11) The issuance or
approval of a license shall not be construed as a license for, or an approval of, any violations of
local rules or ordinances including, but not limited to: Building and fire codes, zoning
ordinances, and business licensing requirements.”

WHEREAS, pursuant to Article 11, § 11 of the Washington State Constitution, the
general police powers granted to cities empower and authorize the City of Othello to adopt land
use controls to provide for the regulation of land uses within the City and to provide that such
uses shall be consistent with applicable law.

WHEREAS, the Attorney General for the State of Washington issued an advisory
opinion (AGO 2014 No. 2) on January 16, 2014, wherein the Attorney General concluded that I-
502 does not prevent municipalities from regulating the retailing, processing, and production of
marijuana within City limits, including placing reasonable restrictions on location as well as
prohibiting such land uses altogether.

WHEREAS, I-502 does not preempt the City of Othello from exercising and
administering its constitutional and statutory land use regulatory authority to either allow and
regulate land uses within the limits of the City of Othello, or to prohibit and ban such uses.

WHEREAS, the prohibition of marijuana production, processing, and retailing is subject
to the authority and general police power of the City to develop specific and appropriate land use
controls regarding such uses.

WHEREAS, the Planning Commission was directed by the City Council to hold a public
hearing on marijuana-related land uses in the City of Othello and recommend to the City Council
land use controls regarding the production, processing and retailing of marijuana within the City.

WHEREAS, the Planning Commission is authorized under Othello Municipal Code
2.21.030 to conduct such a public hearing and make such recommendations.

WHEREAS, on April 18, 2016, the Planning Commission held a public hearing on
marijuana-related land uses within the City, after first providing appropriate public notice of the

Ordinance No. 1473
meeting and agenda, took public testimony, and considered reports provided by City staff, including City Administrator Wade Farris, Community Development Director Travis Goddard, and City Attorney Kelly E. Konkright of Lukins & Annis, P.S.

WHEREAS, the Planning Commission (1) found that the prohibition of marijuana production, processing, and retailing within the City limits protects the health, safety, and welfare of residents within the City of Othello, and (2) based on that finding, recommended that the City Council prohibit individuals from using land within Othello City limits for marijuana retail sales, marijuana processing, or marijuana production as those terms are defined in I-502.

WHEREAS, on May 9, 2016, after first providing appropriate public notice of the meeting and agenda, the City Council held a public hearing on marijuana-related land uses within the City, took public testimony, and considered staff reports provided by Travis Goddard and Chief of Police Phil Schenck.

WHEREAS, based upon the recommendation of the Planning Commission, information provided by City staff, and public comments received at the hearing, the City Council found that the prohibition of marijuana production, processing, and retailing within the City limits protects the health, safety, and welfare of residents within the City of Othello
