RESOLUTION NO. R-2017-120

A RESOLUTION authorizing execution of the Agreement to Adjust Boundary Lines with the City of Union Gap Pursuant to RCW 35 13 310.

WHEREAS, the City of Yakima and the City of Union Gap share a common boundary—generally the northern boundary of Union Gap and the southerly boundary of a portion of the City of Yakima, and

WHEREAS, there are portions of the boundary between the two cities that separate the cities by a portion of the right-of-way of a public street, road or highway, or where the two cities are separated at the centerline of a right-of-way of a public street, road or highway; and

WHEREAS, the City of Yakima and the City of Union Gap wish to enter into an agreement to alter the portions of the boundary between the two cities which will eliminate these situations and create a common boundary in those areas on the edge of the right-of-way of the public street, road or highway rather than cutting through them, and

WHEREAS, the two cities agree that altering the boundaries in this way will be more consistent with effective maintenance, permitting and planning by ensuring that roadways are not split between the two jurisdictions, which complicates operation and maintenance of the roadways and associated facilities, and

WHEREAS, state law allows cities which share common boundaries to adjust the boundary lines between them where they share a common boundary within a right-of-way of a public street, road, or highway, or the two cities have a portion of their boundaries separated only by all or a part of the right-of-way of a public street, road or highway by entering into an agreement to do so, and

WHEREAS, a boundary line adjustment done pursuant to RCW 35 13 310 is not subject to review by a boundary review board, and

WHEREAS, the City Council of the City of Yakima finds that it is in the best interests of the City and its residents to enter into an Agreement to Adjust Boundary Lines Between the City of Yakima and the City of Union Gap Pursuant to RCW 35 13 310, which is attached hereto and fully incorporated herein, now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

ITEM TITLE: Resolution authorizing a Boundary Adjustment Agreement with the City of Union Gap

SUBMITTED BY: Joan Davenport, Community Development Director
Sara Watkins, Senior Assistant City Attorney
Brett Sheffield, Chief Engineer
Scott Shafer, Director of Public Works

SUMMARY EXPLANATION:
The cities of Yakima and Union Gap share a number of public streets that are municipal boundaries. As the two cities have grown and changed, some of the street boundaries have become problematic. The City of Union Gap approached the City of Yakima in 2008 to review 14 locations where the street boundaries have created concern. Work between the technical staff began immediately, but the project was halted as both cities went through management changes. Work began again on this project in 2015.

As an operating rule, both cities agreed that when a public street creates municipal boundaries, the entire street should be located in one jurisdiction in order to promote effective emergency response, maintenance and permitting. This project did not affect any private property, homes, or commercial structures. It does not change any tax parcels or require purchase of right of way.

Union Gap hired a professional surveyor to determine the exact city limits and write legal descriptions of the areas subject to these agreements. Yakima is cost sharing this project. Included is a resolution and maps that illustrate the changes. The City of Union Gap has approved the Resolution. The agreement will be provided to Council at the October 3, 2017 Council meeting.

A RESOLUTION authorizing the City Manager to execute the Agreement to Adjust Boundary Lines between the City of Union Gap and the City of Yakima pursuant to RCW 35.13.310.

WHEREAS, the City of Union Gap and the City of Yakima share a common boundary — generally the northern boundary of Union Gap and the southerly boundary of a portion of the City of Yakima; and

WHEREAS, there are portions of the boundary between the two cities that separate the cities by a portion of the right-of-way of a public street, road or highway, or where the two cities are separated at the centerline of a right-of-way of a public street, road or highway; and

WHEREAS, the City of Union Gap and the City of Yakima wish to enter into an agreement to alter the portions of the boundary between the two cities which will eliminate these situations and create a common boundary in those areas on the edge of the right-of-way of the public street, road or highway rather than cutting through them; and

WHEREAS, the two cities agree that altering the boundaries in this way will be more consistent with effective maintenance, permitting and planning by ensuring that roadways are not split between the two jurisdictions, which complicates operation and maintenance of the roadways and associated facilities; and

WHEREAS, state law allows cities which share common boundaries to adjust the boundary lines between them where they share a common boundary within a right-of-way of a public street, road, or highway, or the two cities have a portion of their boundaries separated only by all or a part of the right-of-way of a public street, road or highway by entering into an agreement to do so; and

WHEREAS, a boundary line adjustment done pursuant to RCW 35.13.310 is not subject to review by a boundary review board; and

WHEREAS, the City Council of the City of Union Gap finds that it is in the best interests of the City and its residents to enter into an Agreement to Adjust Boundary Lines Between the City of Union Gap and the City of Yakima Pursuant to RCW 35.13.310, which is attached hereto and fully incorporated herein; now, therefore,

NOW, THEREFORE, BE IT RESOLVED BY THE UNION GAP CITY COUNCIL as follows:

The City of Union Gap agrees to adjust its boundary lines with the City of Yakima as outlined in the Agreement, and authorizes the City Manager to sign the
Agreement to Adjust Boundary Lines between the City of Union Gap and the City of Yakima Pursuant to RCW 35.13.310.

PASSED this 23rd day of October, 2017.
