MOBILE FOOD VENDOR

Dear Business Owner:

Thank you for your interest in applying for a Mobile Food Vendor License. The City of SeaTac allows for mobile food vendors to conduct business within the corporate limits of the City of SeaTac in accordance with SeaTac Municipal Code (SMC) 5.55.

A “mobile food preparation van” or “food truck” means a commercially manufactured motorized vehicle or trailer in which ready-to-eat food is cooked, wrapped, packaged, process or portioned for service, sale or distribution. A separate business license is required for each mobile food preparation vehicle. Mobile food vending on public streets and public rights-of-way within the limits of the City shall not be permitted, unless approved as an authorized participant in a City-approved right-of-way use permit. For more information on mobile food truck regulations, refer to SMC 5.55.060.

All mobile food vendor applications must be reviewed by the appropriate City departments and site inspections may be conducted. The processing time for a complete application is usually four to six weeks, but may take longer for some sites. If you have any questions, please contact the appropriate City department:

- Finance Department 206-973-4880
- Community and Economic Development (CED) Department 206-973-4750
