

Bothell Road Map

“For a Day or a Lifetime”

City of Bothell™

VISION

“Bothell is a vibrant, ‘green,’ mid-sized city, still with a ‘small town’ feel. Bothell has balanced both managed growth/economic development and environmental protection/neighborhood liveability. Bothell is first a community of quality residential neighborhoods, with an active downtown, a vibrant college campus, multiple business centers, and light industrial park areas. Because of its strong, diverse, commercial/light industrial economy, Bothell services are high quality and comparatively affordable. Bothell’s streets are walkable, multi-modal, with local and regional transit availability. Bothell has a mix of active parks and recreation available city-wide, and several large open space areas preserved and protected. Our citizens are informed, involved, and connected by events and activities. Bothell is proud of its past and future.
