Law Enforcement/Emergency Management Personnel

Re: COVID-19 Measures

Dear Sir or Madam:

The bearer of this letter, accompanied by an official Lake Whatcom Water and Sewer District identification badge and Washington State driver's license, is deemed to be essential personnel for emergency operations vital to the general public's health in the operation and maintenance of critical infrastructure (water and sewer systems).

Please grant this individual access to roads that are passable but ordered closed or restricted to public use, due to the declared state of emergency while engaged in or travelling to the District service area (generally, the area surrounding Lake Whatcom including the Geneva, Sudden Valley, and North Shore communities).

Validation of this person's status as essential may be made by contacting me at [PHONE NUMBER] (mobile phone).

This letter does not supersede enforcement of the provisions set forth in state laws.

Sincerely,

Lake Whatcom Water and Sewer District

A handwritten signature in blue ink that reads "Justin L. Clary".
