these types of alcohol may only be consumed from a plastic or paper cup or similar soft-sided container. Liquor, drinks containing liquor and beer kegs are prohibited.

C. Sole Locations.

1. Adult Activity Center. The service and consumption of alcohol may be allowed only at the Adult Activity Center subject to the requirements of this chapter. Alcohol is only allowed in areas of the center designated by the parks and recreation director. Alcohol is not allowed outside of the center or at any other city facility.

2. Rotary Pavilion. The service and consumption of alcohol may be allowed at Rotary Pavilion for permitted special events subject to the requirements of Chapter 6.64 ECC, including city council approval. The restrictions of subsections (B), (D) and (E) of this section do not apply to special events issued a permit pursuant to Chapter 6.64 ECC.

D. Approval Procedure. Parties or groups wishing to serve alcohol at the Adult Activity Center must:

1. Fill out the appropriate city of Ellensburg facility use permit form. Forms are available at the administrative offices for the parks and recreation department. This form requires information including, but not limited to, the name of the private party or group sponsoring the event (the “applicant”), the number of people expected to attend the event, the date, time and location of the event, and the type or types of alcohol proposed to be served. This form shall contain a requirement that the applicant shall indemnify, defend and hold the city of Ellensburg, its officials, officers and employees harmless from and against any and all claims, damages, losses, demands, actions, causes of action or liabilities of any nature or kind whatsoever (including reasonable attorneys’ fees) arising out of the applicant’s, and applicant’s invitees’, use of the facility, including the service and consumption of alcohol. Applicants must complete and submit a facility use permit form at least six weeks prior to the scheduled date of the event.
2. The request will then be forwarded to the city council for consideration of approval. If approved, city staff will issue a letter in reply giving permission for the applicant to obtain a banquet permit or special event permit from the Washington State Liquor and Cannabis Control Board for the event. This letter will be sent to the applicant or applicant’s representative.

3. This letter of approval must then be taken to the local liquor store at least 10 days prior to the event. Upon presentation of this letter, a Washington State Liquor Control banquet permit or special event permit will be sold to the applicant. The applicant must then provide staff with a copy of a valid Washington State Liquor Control banquet permit or special event permit issued by the Washington State Liquor and Cannabis Board for the event and display the permit for the duration of the event. The applicant’s failure or inability to obtain the necessary permit from the Liquor and Cannabis Control Board shall preclude the service and/or consumption of alcohol at the event, and the city shall bear no responsibility for the applicant’s failure or inability to obtain such permit(s).

4. At least seven days prior to the event, the applicant shall purchase: (a) a general liability policy of no less than $1,000,000 per occurrence, $2,000,000 general aggregate, and (b) a liquor liability policy of no less than $1,000,000 per occurrence, $1,500,000 general aggregate, and shall furnish the city by such time a certificate of insurance for each such policy, showing “The City of Ellensburg” as an additional named insured. Both policies shall be occurrence-based and must provide, or be endorsed to provide, that the applicant’s insurance coverage shall be the primary insurance. Any insurance, self-insurance, or insurance pool coverage maintained by the city of Ellensburg will be excess of the applicant’s insurance and shall not contribute to it. The two insurance policies and terms thereof shall be subject to review and approval by the city attorney.

E. Additional Requirements.

1. Security. The applicant shall provide adequate security for the event, consisting of either off-duty police personnel, a licensed private security company or a combination
thereof. All arrangements for security, including the nature and extent of the security to be provided, are subject to the prior approval of the city and shall be dependent upon the nature, attendance, time and duration of the event.

2. No Advertising Permitted. The applicant shall not advertise to the general public any alcoholic beverage in conjunction with the event.

3. Training Required. Prior to the event, volunteers or staff for the event will be required to attend a training session run by the Liquor and Cannabis Control Board on ID checks and overservice.

4. Presence of Minors. Applicants must ensure that if minors are by law authorized to be present at the event, that they do not possess or consume alcohol.

5. No Overservice Allowed. Applicants must take all necessary measures to control the amount of alcohol consumed by each individual to prevent them becoming a public nuisance or hazard to themselves or others.

6. License to Be Posted. The applicant shall post the event’s approved liquor license(s) in a conspicuous location for the duration of the event.

7. Violations. Serving or consuming alcohol without proper approval or in violation of any of the rules or requirements of this section or those of the Washington State Liquor and Cannabis Control Board will result in appropriate law enforcement action by police and/or the Washington State Liquor and Cannabis Control Board, immediate shut down of the event, forfeiture of any damage deposit and/or facility use fees, and liability for any damages in excess of such deposit and fees. Further, any such violation may result in the applicant’s loss of eligibility to serve alcohol at the Adult Activity Center in the future.
8. Compliance with Laws. The authorization to serve and/or consume alcohol under this section shall in no way relieve the applicant from the obligation to secure any other applicable license, permit or approval required by city ordinance, local, state or federal law, rule or regulation; and the applicant shall at all times comply with all applicable city ordinances and local, state and federal laws, rules and regulations, as well as with all applicable parks and recreation department facility use requirements and other department rules, regulations and requirements pertaining to applicant’s use of the Adult Activity Center.

9. Parks and Recreation Director’s Authority. The parks and recreation director is hereby authorized to promulgate any and all rules, regulations and requirements necessary to implement the provisions of this section and not inconsistent herewith.

F. Intent. The provisions of this section are intended for the protection of the public in general and are not intended to create any duty to individuals or to any particular class of individuals. These provisions are not for the protection of any person or class of persons. [Ord. 4515 § 1, 2008.]

Section 6. Severability. If any portion of this ordinance is declared invalid or unconstitutional by any court of competent jurisdiction, such holding shall not affect the validity of the remaining portion(s) of this ordinance.
