DETAILED SUMMARY STATEMENT:
On August 29, 1995, the Port of Everett granted the City a Statutory Warranty Deed for a portion of West Marine View Drive for street improvement purposes. The deed also included the “right to conform existing driveways, and to make all necessary slopes for cuts and/or fills over, under and upon the adjoining lands of the Grantor” for the project. This right is no longer needed by the City and is now creating an encumbrance on the Port of Everett’s property by inhibiting the ability to sell the affected property as a part of the Waterfront Place development project.

The attached Quit Claim Deed will provide the necessary documentation to clear the title to the Port of Everett’s property.

RECOMMENDATION (Exact action requested of Council):
Authorize the Mayor to sign the Quit Claim Deed to the Port of Everett for title clearing purposes for property adjacent to West Marine View Drive.
