BEHAVIORAL HEALTH NAVIGATOR PROGRAM POLICY
Updated March 1, 2019

I. PURPOSE

The City of Poulsbo Police Department Behavioral Health Navigator Program gives police access to a Behavioral Health Navigator (Police Navigator) who connects individuals with behavioral health needs to available services and resources. The Police Navigators may respond with officers to calls involving behavioral health issues when they occur and/or provide outreach to individuals after police contact. Police Navigators perform outreach to individuals who are at risk of entering or who have entered the criminal justice system. Police Navigators share information with officers that may assist them in the field.

Police Navigators will not provide assessments, case management, or clinical services. Nothing in this program description and/or policies are to supersede officer safety tactics or the policies of Poulsbo Police Department and its partnering agencies.

II. GOALS

The goals of the Behavioral Health Navigator Program are to:

- Connect individuals with behavioral health issues experiencing crisis or at risk of crisis to social services and treatment.
- Connect individuals with behavioral health issues who are at risk of arrest or who have been arrested to social services and treatment.
- Reduce police time spent on behavioral health-related calls.
- Provide prosecutors with resource information relevant to diversion agreements.
- Improve behavioral health services by identifying treatment gaps in the county and promoting new approaches.

The Navigator Program fully appreciates the fact that behavioral health disorders take many forms. Specific challenges are not necessarily isolated from each other and often present themselves as co-occurring issues.

III. DEFINITIONS

For the purposes of this policy:
“Behavioral Health” (as defined by WAC 182-538A-050) includes mental health, substance use disorders and conditions, and benefits related to treatment.

“Behavioral Health Crisis” (as defined by WAC 182-538C-050) means an actual or perceived urgent or emergent situation that occurs when (a) an individual’s stability or functioning is disrupted; and (b) there is an immediate need to resolve the situation to prevent (i) a serious deterioration in the individual’s mental or physical health; or (ii) the need for referral to a significantly higher level of care.

“Behavioral Health Issues” (BHI) refers to behavior that suggests sensory, mental, or physical impairment as a result of mental illness and/or co-occurring issues.

“Crisis Intervention Officers” (CIOs) are officers and deputies in Kitsap County who are designated by their agency in accordance with state law and department policies as being certified CIOs.

“Mental Health Professional” (MHP) (as defined by WAC 182-538A-050) means a psychiatrist, psychologist, psychiatric nurse, social worker or other mental health professionals.

“Behavioral Health Navigator” (Police Navigator) is a Mental Health Professional or an individual with a minimum of two years of professional experience working with people with BHI who assists police by connecting people to behavioral health resources and services. Navigators also work with family members of people with BHI, caregivers, service providers, prosecutors, defense attorneys, and court personnel to share resource information and promote access to care. Navigators do not perform mental health treatment services, are not medical providers, and do not perform assessments or provide clinical services.

“Navigator Team” refers to people working with or within the City of Poulsbo to direct and implement the Navigator Program. The Navigator Team consists of Police Navigators, participating Crisis Intervention Officers, the Administrative Services Manager of the Poulsbo Police Department and the Program Manager.

Priority is given to individuals with BHI who are at risk of behavioral health crisis or arrest and/or have repeated contact with police. Referral requests will be acknowledged within 48 business hours by a Police Navigator.

It is preferable that referrals to a Police Navigator be done, in writing, submitted to the agency’s assigned Navigator via email to their City of Poulsbo employee email address. The email should only include (i) Case number and (ii) Indication of Time Sensitivity (if relevant); no other identifying information should be sent via email.

Direct referrals to a Police Navigator will only be accepted from partnering law enforcement agencies and/or prosecutors within Kitsap County.

VI. REPORTING

Police Navigators will document all their outreach, follow-up and other contacts as supplemental reports in the iLeads Records Management System. The supplemental reports will correspond with the original report that generated the referral.
