DECLARATION OF *****

Pursuant to RCW 9A.72.085, I, *****, state and declare as follows:

I am a current member of the City of Spokane Valley City Council. My term is set to expire on December 31, 2019. I make this Declaration based upon my own personal knowledge and/or belief.

1. I have reviewed a copy of the public record request from *, dated ***, 2018, a copy of which is attached to this Declaration as attachment A.

2. I checked my personal email account to determine if I had any responsive City-related emails of any kind. I did this by scrolling through my account, then opening any email that may possibly be related to City business. The search included the inbox email folder, sent email folder, and deleted email folder associated with my account. I also searched for any calendar entries or appointments. Responsive City-related emails on my personal account, if any, are being provided with this Declaration as attachment B.

3. I checked my personal phone to determine if I had any responsive text messages relating to my duties as a City Councilmember. Responsive City-related text messages on my personal phone, if any, are being provided with this Declaration as attachment C.

4. I am not aware of any other documents, in any format, in my personal possession that are responsive to this request.

5. In addition to my personal email address, I also have a City-issued email address. Staff has full access to all emails sent to or from the City system, and my understanding is that they have identified and provided any responsive emails from the City system.

6. The search efforts I have described in this Declaration cover every location where any responsive documents are reasonably likely to be located.

I hereby certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

DATED THIS _____ day of _____, 2019, at Spokane Valley, Washington.
