

2022 Budget Calendar – Counties

The budget preparation procedures and deadlines for counties are found in [chapter 36.40 RCW](#) and outlined below. The procedures and requirements are the same for both annual and biennial budgets, although biennial budgets have an additional mid-biennium review and adjustment period (see [Biennial Budgets](#)).

Most of the pre-budget items listed below are recommendations only and are not required by statute. The rest of the items are statutory deadlines; the board of commissioners may alter the dates for some of these budget processes to conform to the optional alternative preliminary budget hearing date in December ([RCW 36.40.071](#)). Many counties have adopted alternative dates, and we recommend each county develop a timeline that best meets its needs, ensures compliance with the statutes, and provides sufficient time to prepare this vital financial plan.

The calendar below has been updated to reflect SHB 1309 extending the levy certification deadlines for counties; for more details see [Recent Legislation That May Affect Your Budget](#).

For examples of budget preparation calendars adopted by counties, see our webpage [2022 Budget Calendar for Counties](#). For a detailed explanation of the budget requirements, as well as some helpful practice tips, see our webpage [Budget Preparation Procedures for Counties](#).
