2022 BUDGET MESSAGE

I am proud to present this 2022 balanced budget for City Council consideration. The total of the 2022 budget is over 19 million dollars and provides for an expansion in our police and fire departments as well as other services. This document supports all operational and capital activities of the city for the coming year.

This budget allows for public works shop improvements, an additional police officer, three police vehicles, upgrades in the police department, increased services in the planning department, and a full-time fire chief along with other services. Additionally, the city has received grant funding for the First Street Improvements Project from the Washington State Transportation Improvement Board (TIB), Kittitas County Council of Governments (COG), and Department of Transportation (DOT). Other grant funded projects include the Park and Ride Regional Mobility Grant (DOT), the Second Street Pathway Project Grant (DOT), Stormwater Planning Grant (DOE), Stafford and Corridor Improvement Grant (CDBG), and the American Rescue Plan Act Grant (ARPA).

The development of this budget was made possible through the skills and knowledge of many individuals on staff and council. Thank you to everyone who participated in the budget process including the Budget Committee.

It is my pleasure to serve as your mayor and look forward to the coming year. I know it takes team effort and coordination to provide services to our citizens at the best level. My plan is to build a stronger organization and a healthier community.

Sincerely,
