THIS AGREEMENT, made and entered into this _____ day of _____, 2024, between the COUNTY OF BENTON, State of Washington, acting through the Board of County Commissioners, under and by virtue of RCW 36, hereinafter called "the County", and _____, hereinafter called "the Vendor".

WITNESSETH:

That, in consideration of the payments, covenants, and agreements hereinafter mentioned and attached, and made a part of this agreement, to be made and performed by the parties hereto; the parties hereto covenant and agree as follows:

I. The Vendor shall provide to the County, and the County shall obtain from the Vendor those surfacing material products described and set forth in the "Request for Bids" and "Proposal", copies of which are attached hereto as Appendix A and by reference incorporated herein.

II. The County shall pay the Vendor for those products obtained pursuant hereto those prices set forth in Vendor's proposal (Appendix A), PROVIDED, however, that should any prices increase or decrease during the contract period, the vendor shall notify the Benton County Engineer in writing at least thirty (30) days prior to the effective change date. The County shall have the right to verify the prices charged to the Vendor for such products at the time of their delivery to the County by contacting the Vendor's major supplier.

III. Orders will be placed based on the location of the job and the location of the vendor's mixing plant facility and/or aggregate stockpiles, which will determine the cost to the County for hauling, in addition to the material cost. A vendor other than the low bidder may be used depending upon the availability of the product required by the County.

IV. No amendment or modification shall be made to this Contract, unless set forth in a written Contract Amendment signed by both parties. Work under a Contract Amendment shall not proceed until the Contract Amendment is duly executed by the County.
