Bids are due no later than: [Time, Day, Date] (Pacific Time)

Submittal Location: [specify name of person, location & method of receiving bids, address and/or email]

Technical questions or site visit shall be coordinated through: [name, phone, email]

Request for Bid Requirements:

- A bid bond [is / is not] required.
- State prevailing wages are required. Vendor is required to pay prevailing wage rates for the appropriate category of work and shall submit to WA State Labor & Industries, for itself and any subcontractors, the following forms: statement of Intent to Pay Prevailing Wages prior to beginning work. Prevailing wage form(s) Affidavit of Wages paid will be required upon completion of work. This can be done on line at: www.lni.wa.gov then click on Trades and Licensing then: Prevailing Wage.
- Each contractor, subcontractor, or employer shall keep accurate payroll records for three years from the date of acceptance of the public works project by the City, pursuant to RCW 49.28.065, for each laborer, worker, and mechanic employed by the contractor for work performed on a public works project, pursuant to RCW 39.12.120, effective January 1, 2020.
- A contractor, subcontractor, or employer shall file a copy of its certified payroll records using the WA State Labor & Industries‘ online system at least once per month. If the WA State Labor & Industries’ online system is not used, a contractor, subcontractor, or employer shall file a copy of its certified payroll records directly with WA State Labor & Industries in a format approved by WA State Labor & Industries at least once per month, pursuant to RCW 39.12.120, effective January 1, 2020.
- A City of Kennewick business license is required.
- If the work is valued at $35,000 (including 8.6% sales tax) or more, payment and performance bonds are required and 5% retainage will be withheld. For contracts less than $35,000 the contractor can post payment and performance bonds or elect to receive 90% payment upon acceptance of the work with approved intents and 10% payment after 45 days and approved affidavits, whichever is later. The costs for any applicable bonds are the responsibility of the contractor and shall be included in their bid pricing.
- For contracts under $2,500, payment will be made at project completion.
- City Standard insurance is required on all projects, naming the City as an additional insured. Requirements are posted on the City’s webpage at: go2kennewick.com and located by searching for “Standard Specifications Manual” – see Information to Bidders Section 18.
- Comply with and use the Department of Homeland Security’s E-Verify system when hiring new employees for the term of the contract. Requirements are posted on the City’s webpage at: go2kennewick.com and located by searching for “Standard Specifications Manual” – see Information to Bidders Section 19.
- Bidder must meet mandatory bidder responsibility as required by RCW 39.04.350 and the General requirements. Per RCW 39.06.020, a contractor must verify that all subcontractors of any tier meet the same responsibility requirements and that they are also licensed as a plumbing, electrical or elevator contractor if required. In accordance with revised responsible bidder criteria in RCW 39.04.350, all businesses are required to have training before bidding and/or performing work on public works projects. Note: this applies to all public works projects that start on or after July 1, 2019. To verify a bidder’s training status or exempt status, check the LNI Verify a Contractor website, using a business name or UBI number.

**Scope of Work**

1. **Project Description**

The City of Kennewick is requesting bid proposals to install and complete [project description and location(s)] The project will consist of providing and installing materials and equipment for site improvements as noted on the plan sheet(s) and specifications. All labor and materials shall be included on the bid form as specified and shall conform in strength, quality of workmanship and material to that which is specified. Any variance from the specifications or standards of quality must be clearly pointed out in writing by the bidder and approved by the City. The City of Kennewick will provide and supply [indicate any utilities, or other items provided by City if applicable] to the site as noted on the plans. The Contractor shall furnish all additional materials and equipment required for the project. Work shall include all labor, equipment, tools and all incidentals necessary to fully complete the work and installations as listed.

[List any project requirements, bid item #’s, critical and/or completion dates, deviations from standard specifications, specific project specifications, drawings and other documents required for project bidding and completion.]

It is the Contractor’s responsibility to field verify the site specifics and set-up a site visit with the City of Kennewick staff to discuss how to proceed with the project.

The Contractor shall call/notify the City of Kennewick regarding any conflict or concern with existing site improvements. The Contractor is to proceed with the intent of maintaining existing fences, curbs and other improvements. Any damage to existing improvements must be replaced to original condition and per COK standards as part of this project and shall be the responsibility of the Contractor.

Contractor shall use signing, barricades and cones to show work or intrusion into the sidewalk or roadway and is required to follow proper traffic control set-up as shown in the 2009 MUTCD and City of Kennewick standard specification details in section 7.

It shall be the responsibility of the Contractor to call the One Call number (1-800-424-5555) to notify all utilities of the excavation (if necessary).
