5. **Equal/Approved Equal**
   These specifications are intended to be precise where a specific make, model or trade name is requested. Whenever a make, model or trade name is used, it shall be that or equal, or approved equal. Equal or approved equal means that the make, model or trade name will be given consideration if they fulfill the same performance requirements. The City reserves the right to make the decision on acceptability. Each bidder shall clearly identify make, model or trade name of equipment bid on the bid form. Any equipment proposed as an equal to that herein specified must be substantiated with supporting data to justify such request for substitution.

6. **Exceptions**
   Specifications of the services and/or work bid shall be equal to or better than the specifications stated herein and all exceptions to these specifications shall be so listed on a separate sheet headed "EXCEPTIONS TO THE

Listed quantities shall not be considered firm estimates of requirements for the year, nor shall the City be bound or limited to quantities listed. Payment will be made only for quantities actually ordered, delivered, and accepted, whether greater or less than the stated amounts.

8. Delivery/Completion
Each bidder is required to list on the Bid form the number of calendar days he/she expects delivery/completion to be made, in terms of time interval, following placement of order. 9. Contract Term
See Section 3 of Contract

The period of this contract shall be for a period of three (3) years from its effective date. Contract may be extended on the anniversary date for one (1) additional one (1) year period. Contract is not to exceed a total of four (4) years or $250,000, whichever comes first.

10. Pricing and Discount
The City qualifies for governmental discounts. Unit prices shall reflect these discounts.

Prices of materials, equipment and services set forth herein do not exceed those charged by the Contractor to any other customer purchasing the same goods or services under similar conditions and in like or similar quantities.

11. Price Clarifications
The City reserves the right to clarify any pricing discrepancies related to assumptions on the part of Bidders. Such clarifications will be solely to provide consistent assumptions from which an accurate cost comparison can be achieved.

For any given item, the quantity multiplied by the unit price shall establish the extended price, the unit price shall govern in the Bid evaluation and contract administration.

Any invoice that is sent to the City with pricing above that specified by the City in writing within this Contract or specified within an official written change issued by Purchasing to this contract, shall be invalid. Payment of an erroneous invoice does not constitute acceptance of the erroneous pricing, and the City would seek reimbursement of the overpayment or would withhold such overpayment from future invoices.

In submitting a bid, Contractor shall set forth the amount they will accept for the first year (12-months) in payment for services and materials on the Bid Form in accordance with the contract.

If contractor requests the City to do so, payment under this contract may be adjusted each succeeding year effective on the contract anniversary date.

The City, in its sole discretion, will decide whether to approve or deny the rate increase request or any part thereof within 30 days of receipt of the request.    A Bid may not be modified, withdrawn or canceled by the Bidder for a ninety (90) day period following the deadline for Bid due date, or receipt of best and final offer, if required, and Bidder so agrees by submittal of a bid.

3. **Protest Procedure**
   Any protest must be made in writing, signed by the protestor, and state that the Bidder is submitting a formal protest. The protest shall be filed with the City of Yakima’s Purchasing Manager at 129 No. 2nd St., Yakima, WA 98901, or by fax: 509-576-6394 or email to: maria.mayhue@yakimawa.gov. **Award Announcement**

Purchasing shall announce the successful Bidder via Website, e-mail, fax, regular mail, or by any other appropriate means. Once the Award is released by Purchasing, the protest time frame begins. The timeframe is not based upon when the bidder received the information, but rather when the announcement is issued by Purchasing.

**Award Regardless of Protest**

When a written protest against making an award is received, the award shall not be made until the matter is resolved, unless the City determines that one of the following applies:

- The supplies or services to be contracted for are urgently required;
- Delivery or performance will be unduly delayed by failure to make award promptly;
- A prompt award will otherwise be advantageous to the City.

If the award is made, regardless of a protest, the award must be documented in the file, explaining the basis for the award. Written notice of the decision to proceed shall be sent to the protestor and others who may be concerned.

The City retains the right to enter into any contract and nothing herein shall be construed to limit that authority in any manner.

straight time rate, hourly rate of usual benefits as defined by WAC 296-127-014(1), and overtime hours worked each day and week, including any employee authorizations executed pursuant to WAC 296-127-022, and the actual rate of wages paid, for each laborer, worker, and mechanic employed by the Contractor for work performed on a public works project.

b. A Contractor shall, within ten days after it receives a written request, from the department or from any interested party as defined by RCW 39.12.010(4), file a certified copy of the payroll records with the agency that awarded the public works contract and with the department.

c. A Contractor’s noncompliance with this section shall constitute a violation of RCW 39.12.050.

14. Nondiscrimination
During the performance of this Contract, the Contractor agrees as follows:

The Contractor shall not discriminate against any person on the grounds of race, creed, color, religion, national origin, sex, age, marital status, sexual orientation, gender identity, pregnancy, veteran’s status, political affiliation or belief, or the presence of any sensory, mental or physical handicap in violation of the Washington State Law Against Discrimination (RCW chapter 49.60) or the Americans with Disabilities Act (42 USC 12101 et seq.).

This provision shall include but not be limited to the following: employment, upgrading, demotion, transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, selection for training, and the provision of Services under this Agreement.

In the event of the Contractor’s noncompliance with the non-discrimination clause of this contract or with any such rules, regulations, or orders, this Contract may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for any future City contracts.

15. Indemnification and Hold Harmless

a. Contractor shall take all necessary precautions in performing the Services to prevent injury to persons or property. Contractor agrees to defend, indemnify and hold harmless the City, its elected and appointed officials, officers, employees, attorneys, agents, and volunteers from any and all claims, demands, losses, liens, liabilities, penalties, fines, lawsuits, and other proceedings and all judgments, awards, costs and expenses (including reasonable costs and attorney fees) which result or arise from Contractor’s performance under this Agreement, and/or out of the negligent acts or omissions of Contractor, its officials, officers, employees or agents.

b. If any suit, judgment, action, claim or demand arises out of, or occurs in conjunction with, the negligent acts and/or omissions of both the Contractor and the City, or their elected or appointed officials, officers, employees, agents, attorneys or volunteers, pursuant to this Contract, each party shall be liable for its proportionate share of negligence for any resulting suit, judgment, action, claim, demand, damages or costs and expenses, including reasonable attorneys’ fees.

c. Contractor’s Waiver of Employer’s Immunity under Title 51 RCW. If any design or engineering work is done pursuant to this Contract, Contractor intends that its indemnification, defense, and hold harmless obligations set forth above in Section A shall operate with full effect regardless of any provision to the contrary in Title 51 RCW, Washington’s Industrial Insurance Act. Accordingly, to the extent necessary to fully satisfy the Contractor’s indemnification, defense, and hold harmless obligations set forth above in Section A, Contractor specifically waives any immunity granted under Title 51 RCW, and specifically assumes all potential liability for actions brought by employees of the Contractor against the City and its elected and appointed officials, officers, employees, attorneys, agents, and volunteers. The parties have mutually negotiated this waiver. Contractor shall similarly require that its subcontractors, and anyone directly or indirectly employed or hired by Contractor, and anyone for whose acts Contractor may be liable in connection with its performance of this Agreement, shall comply with the terms of this paragraph, waive any immunity granted under Title 51 RCW, and assume all potential liability for actions brought by their respective employees. The provisions of this section shall survive the expiration or termination of this Agreement.
d. Nothing contained in this Section or this Contract shall be construed to create a liability or a right of indemnification in any third party.

e. The terms of this Section shall survive any expiration or termination of this Contract.

16. Contractor’s Liability Insurance

At all times during performance of the Services and this Contract, Contractor shall secure and maintain in effect insurance to protect the City and Contractor from and against any and all claims, damages, losses, and expenses arising out of or resulting from the performance of this Contract. Contractor shall provide and maintain in force insurance in limits no less than that stated below, as applicable. The City reserves the right to require higher limits should it deem it necessary in the best interest of the public.

Contractor will provide a Certificate of Insurance to the City as evidence of coverage for each of the policies and outlined herein. A copy of the additional insured endorsement attached to the policy will be included with the certificate. This Certificate of insurance shall be provided to the City, prior to commencement of work.

Failure of City to demand such verification of coverage with these insurance requirements or failure of City to identify a deficiency from the insurance documentation provided shall not be construed as a waiver of Contractor’s obligation to maintain such insurance.

The following insurance is required:

a. Commercial Liability Insurance

Before this Contract is fully executed by the parties, Contractor shall provide the City with a certificate of insurance as proof of commercial liability insurance with a minimum liability limit of Two Million Dollars ($2,000,000.00) per occurrence, combined single limit bodily injury and property damage, and Two Million Dollars ($2,000,000.00) general aggregate. If Contractor carries higher coverage limits, such limits shall be shown on the Certificate of Insurance and Endorsements and the City, its elected and appointed officials, employees, agents, attorneys and volunteers shall be named as additional insureds for such higher limits. The certificate shall clearly state who the provider is, the coverage amount, the policy number, and when the policy and provisions provided are in effect. Said policy shall be in effect for the duration of this Contract. The policy shall name the City of Yakima, its elected and appointed officials, employees, agents, attorneys and volunteers as additional insureds, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the City prior written notice. The insurance shall be with an insurance company or companies rated A-VII or higher in Best’s Guide and admitted in the State of Washington. The requirements contained herein, as well as City of Yakima’s review or acceptance of insurance maintained by Contractor is not intended to and shall not in any manner limit or qualify the liabilities or obligations assumed by Contractor under this contract.

b. Automobile Liability Insurance

Before this Contract is fully executed by the parties, Contractor shall provide the City with a certificate of insurance as proof of automobile liability insurance with a minimum liability limit of Two Million Dollars ($2,000,000.00) per occurrence. If Contractor carries higher coverage limits, such limits shall be shown on the Certificate of Insurance and Endorsements and the City, its elected and appointed officials, employees, agents, attorneys and volunteers shall be named as additional insureds for such higher limits. The certificate shall clearly state who the provider is, the coverage amount, the policy number, and when the policy and provisions provided are in effect. Said policy shall be in effect for the duration of this Contract. The policy shall name the City of Yakima, its elected and appointed officials, employees, agents, attorneys and volunteers as additional insureds, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the City prior written notice. The insurance shall be with an insurance company or companies rated A-VII or higher in Best’s Guide and admitted in the State of Washington. The requirements contained herein, as well as City of Yakima’s review or acceptance of insurance maintained by Contractor is not intended to and shall not in any manner limit or qualify the liabilities or obligations assumed by Contractor under this contract. The business auto liability shall include Hired and Non-Owned coverage if necessary.

c. Employer’s Liability (Stop Gap)

Contractor and all subcontractor(s) shall at all times comply with all applicable workers’ compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the full extent applicable, and shall
maintain Employer’s Liability insurance with a limit of no less than $1,000,000.00. The City shall not be held responsible in any way for claims filed by Contractor or its employees for services performed under the terms of this Contract. Contractor agrees to assume full liability for all claims arising from this Contract including claims resulting from negligent acts of all subcontractor(s). Contractor is responsible to ensure subcontractor(s) have insurance as needed. Failure of subcontractors(s) to comply with insurance requirements does not limit Contractor’s liability or responsibility.

Contractor’s insurance coverage shall be primary insurance with respect to those who are Additional Insureds under this Contract. Any insurance, self-insurance or insurance pool coverage maintained by the City shall be in excess of the Contractor’s insurance and shall not contribute to it.

If at any time during the life of the Contract, or any extension, Contractor fails to maintain the required insurance in full force and effect, all work under the contract shall be discontinued immediately. Any failure to maintain the required insurance may be sufficient cause for the City to terminate the Contract.

Should a court of competent jurisdiction determine that this Contract is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of Contractor and the City, its officers, elected and appointed officials, employees, agents, attorneys and volunteers, Contractor’s liability hereunder shall be limited to the extent of the Contractor’s negligence.

17. Severability
If any term or condition of this Contract or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition or application. To this end, the terms and conditions of this Contract are declared severable.

18. Contract Documents
This Contract, the Invitation to Bid 12126S Scope of Work, conditions, addenda, and modifications and Contractor’s proposal (to the extent consistent with City of Yakima documents) constitute the Contract Documents and are complementary. Specific Federal and State laws and the terms of this Contract, in that order respectively, supersede other inconsistent provisions. These Contract Documents are on file in the Office of the Purchasing Manager, 129 No. 2nd St., Yakima, WA, 98901, and are hereby incorporated by reference into this Contract.

19. Termination - Convenience
This Contract may be terminated by either party by giving thirty (30) days written notice of such intent and will become effective thirty (30) days from the date such written notice is delivered to the applicable party to the Contract.

20. Termination - Cause
The City reserves the right to terminate this Contract at any time, upon written notice, in the event that the Services of Contractor are deemed by the City to be unsatisfactory, or upon failure to perform any of the terms and conditions contained in this Contract. The effective date for such termination shall be upon receipt of the notice, or three days after the notice is mailed first class mail, certified with return receipt requested.

21. Force Majeure
Contractor will not be responsible for delays in delivery due to acts of God, fire, strikes, epidemics/pandemics, war, riot, delay in transportation or railcar transport shortages, provided Contractor notifies the City immediately in writing of such pending or actual delay. Normally, in the event or any such delays (acts or God, etc.) the date of delivery will be extended for a period equal to the time lost due to the reason for delay.
