FOR THE HEALTHCARE PROVIDER

Dear Healthcare Provider

Your patient is employed with the Town of Friday Harbor and has disclosed they have a medical condition or disability which may prevent them from receiving an authorized COVID-19 vaccine.

We are requesting you complete the following form to help us to understand whether your patient has a medical condition or disability which prevents them from receiving an authorized COVID-19 vaccine.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. “Genetic information,” as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. 29 CFR § 1635.8(b)(1)(i)(B).

1. Are you licensed to practice in the state of Washington

   _____ YES    _____ NO

2. Describe your professional experience and/or educational background that qualify you to respond to questions about your patient’s request for a medical exemption from the COVID-19 vaccination requirement.

3. Your patient has disclosed they have a medical condition or disability that may prevent them from receiving an authorized COVID-19 vaccine. Does your patient suffer from such a condition?

   _____ YES    _____ NO
4. If you responded yes to question 3, what is the anticipated duration of the medical condition or disability which prevents your patient from receiving an authorized COVID-19 vaccination?
   ____ Permanent  ____ Temporary

5. If temporary, provide a timeline indicating when we can expect your patient to be able to receive an authorized COVID-19 vaccination.

6. In your medical opinion, would a leave of absence be effective in allowing your patient to recover prior to receiving an authorized COVID-19 vaccine so they may return to the full duties of their position at the conclusion of the leave?
   ____ YES  ____ NO

7. In your medical opinion, if a leave of absence is indicated, what is the anticipated duration of leave required that would permit your patient to be able to receive an authorized COVID-19 vaccine?

I, Dr.__________________________, declare that, in my professional opinion, the above responses are true and accurate to the best of my knowledge and ability.
