**CITY OF REDMOND
ORDINANCE NO. 2817**

AN ORDINANCE OF THE CITY OF REDMOND, WASHINGTON, PROVIDING FOR THE ACQUISITION, CONDEMNATION, APPROPRIATION, AND TAKING OF PERMANENT REAL PROPERTY RIGHTS IN ORDER TO CONSTRUCT SANITARY SEWER PUMP STATION 14 ABANDONMENT PROJECT, CIP PROJECT NO. 20021130; PROVIDING THAT THE ENTIRE COST THEREOF SHALL BE PAID FROM AVAILABLE FUNDS; AND DIRECTING THE CITY ATTORNEY TO PROSECUTE THE APPROPRIATE ACTION AND PROCEEDINGS IN THE MANNER PROVIDED BY LAW FOR SAID CONDEMNATION

WHEREAS, City of Redmond has determined that existing Sanitary Sewer Pump Station 14 facilities are failing due to age. It has been determined that replacement or rehabilitation of the Pump Station is not as beneficial to the community and public as abandoning the existing pumping system and adding additional sewer main piping that will provide opportunity to have other areas of the community serviced by a public gravity flow sanitary system; and

WHEREAS, it is necessary for the City to acquire temporary and permanent easements from private property owners in order to accommodate the extended sewer main pipe which is included as part of the Sanitary Sewer Pump Station 14 Abandonment Project, CIP Project No. 20021130; and

WHEREAS, the City has pursued negotiating voluntary agreements to acquire the necessary property rights, but agreements have not been reached with all the owners from which temporary and permanent rights are needed; and

WHEREAS, the City Council has therefore determined to authorize condemnation of such interests; and

WHEREAS, pursuant to RCW 8.25.290, the City mailed and published notice to the property owners whose lands this ordinance authorizes to be condemned advising such owners that a final decision to acquire by negotiation or condemning the required property interests would be made at the February 16, 2016, Redmond City Council meeting and that this ordinance would be considered and passed as a result; and

WHEREAS, any and all interested parties had the opportunity to address the Redmond City Council on the subject at the February 16, 2016, meeting.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Need for Property - Public Use. The public health, safety, necessity, and convenience demand that the Sanitary Sewer Pump Station 14 Abandonment Project be constructed in order to address the current aging system. This will be accomplished by discontinuing the ability for Pump Station 14 to function and adding additional sewer main line

pipng that will function by gravity flow. The temporary and permanent easements must be acquired, condemned, appropriated and taken for the placement of the new main line as part of the Sanitary Sewer Pump Station 14 Abandonment Project as provided by this ordinance. The Sanitary Sewer Pump Station 14 Abandonment Project is a public use for which the City is authorized to condemn property and property interests under RCW 8.12.030.

Section 2. Declaration of Necessity. The City Council of the City of Redmond has reviewed the planned improvements report of the City Public Works staff and hereby declares that temporary and permanent property rights in, under, over, along, across, and upon certain real properties are necessary for construction of the Sanitary Sewer Pump Station 14 Abandonment Project in Section 1 above and must be acquired by the City of Redmond. The properties from which the temporary and permanent easements are required are listed on Exhibit A attached hereto and incorporated herein by this reference as if set forth in full. The property rights to be acquired are legally described and depicted on Exhibit B attached hereto and incorporated herein by this reference as if set forth in full.

Section 3. Condemnation. The temporary and permanent easements described in Section 2, are hereby condemned, appropriated, taken, and damaged for the purpose of constructing

the Sanitary Sewer Pump Station 14 Abandonment Project described in Section 1 above, together with all necessary appurtenances, utilities, and related work to make a complete improvement in accordance with City standards. Condemnation of the property is subject to the making or paying of just compensation to the real property owner and possessors thereof in the manner provided by law.

Section 4. Authority of City Attorney. The City Attorney is hereby authorized and directed to begin and prosecute the proceedings provided by law to condemn, take, and appropriate the interests necessary to carry out the provisions of this ordinance, and is further authorized in conducting said condemnation proceedings, and for the purpose of minimizing damages, to stipulate as to the use of the properties hereby authorized to be condemned and appropriated, and as to the reservation of any right of use of the owners or any person entitled to possession of the properties, provided that such reservation does not interfere with the use of said property as provided in this ordinance. The City Attorney is further authorized to adjust the location and/or width of any portion of any of the properties so taken in order to minimize damages, provided that said adjustments do not interfere with the use of said properties by the City as provided in this ordinance.

Section 5. Source of Funds. The entire cost of the property rights acquisitions authorized by this ordinance, including all costs and expenses of condemnation proceedings, shall be paid from available funds as may be appropriate under the circumstances.

Section 6. Severability. If any section, sentence, clause or phrase of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance.

Section 7. Effective date. This ordinance shall become effective five days after its publication, or publication of a summary thereof, in the city's official newspaper, or as otherwise provided by law.

ADOPTED by the Redmond City Council this 16th day of
February, 2016.
