AGENDA REQUEST

TO: Board of Commissioners
FROM: Stacie Prada, Treasurer 
DATE: June 6, 2016
SUBJECT: Resolution to Declare Certain County Property as Surplus and Sell to Government Agency

STATEMENT OF ISSUE: The Sheriff's Office and Fleet Services have removed the vehicle identified as 2009 Ford Crown Victoria VIN #2FAHP71V09X125277 with asset ID#000793 from service and indicated a need to dispose of the item. The Forks Police Department has indicated interest in purchasing the vehicle.

ANALYSIS: Fleet Services has determined that selling this vehicle in its current condition would be better financially than stripping it of its emergency equipment (at some expense) to sell it at auction to a non-law-enforcement buyer for the \$1,300 we average at auction for this type of sedan. Fleet Services supports the requested sale to the Forks Police Department and has indicated a reasonable purchase price of \$3,000 as equipped with law-enforcement equipment. The Sheriff's Office has no objections to the sale.

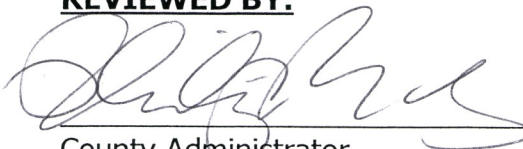

RCW 36.34.020, 36.34.030, 36.34.340, 36.34.050 & 36.34.090 outline statutory requirements to dispose of property. Intergovernmental sales and transfers may be made by the county commissioners upon such terms and for such consideration as may be deemed adequate. RCW 36.34.130 and RCW 36.34.010 provide this authority.

RCW 36.34.020 exempts sales of surplus equipment from the requirements to publish notice and hold a public hearing when the sale is to a government agency and the value of equipment does not exceed \$50,000.00

FISCAL IMPACT: Proceeds from the sale of the vehicle must be credited to the fund from which the original purchase was made. Said proceeds will be returned to the ER&R Fund.

RECOMMENDATION: Approve the Resolution to Declare Certain County Property as Surplus and Sell to a Government Agency with a minimum sale price of \$3,000 as equipped with law-enforcement equipment.
