ORDINANCE NO. 2015-12-048

AN ORDINANCE ESTABLISHING AN INFILL INCENTIVE PROGRAM REDUCING SYSTEM DEVELOPMENT CHARGES AND PERMIT FEES FOR QUALIFYING PROJECTS IN TARGETED URBAN VILLAGES AND AMENDING TITLES 14, 15, AND 20 OF THE BELLINGHAM MUNICIPAL CODE.

WHEREAS, a key strategy in the Comprehensive Plan to preserve neighborhood character and accommodate anticipated growth is to target areas throughout the City of Bellingham that can best absorb increased development densities in the form of "urban villages"; and

WHEREAS, six urban village plans have been adopted as part of the Comprehensive Plan, describing the type of environment envisioned for these areas; and

WHEREAS, despite the establishment of zoning, development regulations, and other land use enablement to achieve the urban village vision for these areas, the desired infill development has occurred with mixed results; and

WHEREAS, City Council has determined that it is in the public interest to establish an infill incentive program to encourage development and redevelopment within targeted urban villages and to dedicate general fund revenue to that purpose; and

WHEREAS, the infill incentive program created by this ordinance authorizes the City planning and community development director to grant eligible projects a partial exemption of fifty-percent of applicable development charges to be paid by general fund money allocated for that purpose; and

WHEREAS, City Council anticipates that, through the budget process, it will allocate up to $250,000 per year from the general fund for years 2016, 2017, and 2018 to pay for the infill incentive program created by this ordinance.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF BELLINGHAM DOES HEREBY ORDAIN THAT:

Section 1.
