CHAPTER 1  PURPOSE AND SCOPE

1.1  INTRODUCTION

These personnel policies serve as a general guide to the County's current employment practices and procedures. As such, we hope they will help you understand how the County operates and what is expected of you as an employee. These policies also describe what the County provides you in terms of compensation and benefits.

The County places a high value on our employees and their wellbeing. We want you to be a satisfied worker. We also want to provide the support necessary to achieve the objectives of your position, and to help you assist your department and the County to achieve their objectives. In this manner, your contribution to the County organization and the citizens of Mason County will be most productive.

It is our belief that when consistent personnel policies are known and communicated to all, the opportunities for greater job satisfaction increase. We encourage you to read these policies. If you have questions, please contact your supervisor, Department Head or Elected Official. If you have ideas or suggestions, please do the same.

1.2  INTENT OF POLICIES

These policies are intended as guidelines and do not constitute a contract, express or implied, or any type of promise or guarantee of specific treatment upon which any employee may rely, or as a guarantee of employment for any specific duration. Although we hope that your employment relationship with us will be long term, we recognize that jobs do not always work out as hoped, and either of us may decide to terminate the employment relationship. Unless specific rights are granted to you in civil service rules, a collective bargaining agreement, an employment contract, or elsewhere, all employees of the County are considered at-will employees and as such, may be terminated from County employment at any time with or without cause and with or without notice. Please understand that no supervisor, manager or other representative of the County other than the Board of County Commissioners, or the Elected Official in the case of their employee, has the authority to enter into any agreement with you for employment for any specified period or to make written or verbal commitments contrary to the foregoing.

1.3  SCOPE OF POLICIES

These personnel policies apply to all County employees unless exempted in a specific section. In cases where these policies conflict with any provision of the County Code, Civil Service rules and regulations, the provisions of a collective bargaining agreement, or state or federal law, the terms of that law, rule or regulation, or collective bargaining agreement
prevail. In all other cases, these policies apply. The non-economic provisions of these policies shall apply to Elected Official's departments unless the Elected Official(s) have adopted policies covering the same subject(s) and filed those policies with the Board of county Commissioners.

1.4 CHANGING THESE POLICIES

The County reserves the right to modify these policies at any time. The Board of County Commissioners or the County Administrator may deviate from these policies to achieve the primary mission of serving the citizens of Mason County. Employees may request specific changes to these policies by submitting suggestions to their Elected Official or Department Head.

1.5 DEFINITIONS

Department Head: An employee who reports directly to the Board of County Commissioners and who is responsible for directing one or more departments.

Regular Full-Time Employee: An employee who holds a budgeted position and who regularly works a minimum of forty (40) hours a week.

Regular Part-Time Employee: An employee who holds a budgeted position and who regularly works less than forty (40) hours a week.

Extra Help Employee: An employee who holds a job of limited duration due to special projects, seasonal or abnormal workloads, the absence of a regular employee or emergencies.
CHAPTER 2  GENERAL POLICIES AND PRACTICES

2.1  EMPLOYEE PERSONNEL RECORDS

A personnel file for each employee is kept in the Human Resources Department and/or in the department in which they work. An employee's personnel file contains the employee's name, title and/or position held, department to which the employee is assigned, salary, changes in employment status, training received, performance evaluations, insurance enrollment forms, personnel actions affecting the employee, including discipline, and other pertinent information. Medical information about employees is contained in a separate confidential file.

Employees have the right to review their file. An employee may request removal of irrelevant or erroneous information in their personnel file. If the County denies the employee's request to remove the information, employees may file a written rebuttal statement to be placed in their file.

Personnel files are kept confidential to the maximum extent permitted by law. Except for routine verifications of employment, no information from an employee's personnel file will be released to the public, including the press, without a written request for specific information and notification to the employee.

2.2  EMPLOYMENT REFERENCES

Only the Elected Official or Department Head is authorized to provide employment references on current or former County employees. Other employees shall refer requests for references to the appropriate Elected Official or Department Head. References will be limited to verification of employment and salary unless the employee has completed a written waiver and release. Standardized release forms are available at the Human Resources Department.

2.3  EMPLOYEE BADGE POLICY

To establish guidelines for the issuance of a photo identification badge to all employees and for the use of said badge by employees while at work or when representing Mason County in any official capacity in an effort to provide a safe and secure workplace for all employees.

2.3.1  Policy Statement

All employees will be issued and must wear and visibly display photo identification badges as provided by Mason County. Identification badges must be worn in a manner that allows the identification of an employee by photo, first and last names, department, position, and unique identifying number.
2.3.2 Definitions

Employee: For the purpose of this policy, staff member shall refer to elected officials, full-time, part-time, extra help and seasonal employees, including volunteers and interns.

Employee ID Badge: The official County ID badge for all employees. The ID badges will identify employees’ name, department, position and a unique identifying number.

Official Capacity: Includes any time while on County property as well as any business where the employee is representing the County. This also includes wearing the ID badge while operating any vehicle owned or leased by the County.

2.3.3 Requirements

• Because the policy and procedures described herein are intended to provide for the safety and security of County employees, all employees are expected to fully comply with all provisions of this policy.
• The Human Resources Department will provide all new staff members a copy of this policy at the time of new employee orientation.
• All employees are required to wear the ID badge at County work areas during official capacity. ID badges are to be prominently worn so the photo is clearly visible to others. The requirement may be temporarily waived at the department’s discretion when wearing the ID badge presents a safety issue. However, the employee must carry the ID badge at all times during work hours or when acting in an official capacity. It can be placed in a pocket or wallet.
• The ID badge is to be worn between the shoulders and waist on a clip or lanyard. The County will provide a clip or lanyard for each employee to wear the ID badge. The ID badge shall not be defaced or altered with pins, stickers, decals, etc.
• Employees are responsible for safeguarding their own ID badge. Any lost or damaged ID badges should be reported immediately to the employee’s supervisor, who is responsible for reporting the lost or damaged ID badge to the Division of Emergency Management.

2.3.4 Procedure

• All employees of Mason County will be issued photo identification upon completion of the ID Badge Request Form (Attachment A).
• All new employees will have their ID badges made by Mason County Division of Emergency Management (DEM) by appointment after completing all required new employee training (First-Aid/CPR, CORE Training, ICS 100 & 700...).
• Employees will be issued one ID badge.
• New ID badges will be issued to current employees who receive a transfer, promotion, demotion, etc. to a different department or a name change. An ID Badge Request Form
will need to be completed along with the required proof of ICS training if not previously done.

- Supervisors shall report lost or damaged ID badges to Mason County Division of Emergency Management. Damaged ID badges shall be returned to DEM. A reprint of the original ID badge will be done and sent to the department supervisor.
- Any lost ID badge that is found should be turned in to Mason County Division of Emergency Management, 100 W. Public Works Dr., Shelton.
- Upon termination of employment or retirement, an employee must turn in their ID badge to their supervisor. The supervisor is then required to send the ID badge to Mason County Division of Emergency Management.
- An employee placed on paid/unpaid administrative leave or who is out for an extended period of time on Federal Medical Leave, must turn in their ID badge to their supervisor pending return to work.

2.3.5 Identification Holder Responsibilities

- Do not lend your ID badge to anyone.
- Do not leave ID badge on dash of vehicle or other locations where exposed to extreme temperatures or theft.
- Do not fold, bend, or mutilate your ID badge.
- Use your ID badge for official Mason County business only.
- Do not leave your ID badge unattended.
- Immediately notify your supervisor if your ID badge is lost or missing.

RESOLUTION 22-18, 4/3/18
CHAPTER 3  RECRUITING AND HIRING

3.1  RECRUITING

Recruiting practices are conducted solely on the basis of ability, merit, qualifications and competence without regard to race, color, religion, national origin, sex, marital status, pregnancy, disability, or age.

Each applicant shall complete and sign an application form prior to being considered for any position. Resumes may supplement, but not replace the County’s official application.

Any applicant supplying false or misleading information may be disqualified from the hiring process, or terminated, if hired.

3.2  HIRING

When a position becomes vacant and prior to any posting or advertisement of the vacancy, the Department Head shall review the position, its job description, and the need for such a position. The Department Head will submit a request to fill the position to the Board of County Commissioners. The position will be posted and/or advertised only after the Board of County Commissioners has approved the request.

The County may administer pre-employment examinations to test the qualifications and ability of applicants, as determined necessary by the County. The County may contract with any agency or individual to prepare and/or administer examinations. The County may also conduct certain background procedures as required by law. Examples of such procedures include: requiring applicants/employees to show proof they are authorized to work in the United States and requiring applicants/employees who have unsupervised access to children to complete a disclosure statement.

Residency within the County shall not be a condition of initial appointment or continued employment; provided that an employee's selection of residence shall not interfere with the daily performance of their duties and responsibilities.

Applicants for positions in which the applicant is expected to operate a motor vehicle will be required to present a valid Washington State driver's license with any necessary endorsements. Driving records of applicants may be checked. Applicants with poor driving records, as determined by the County, may be disqualified for employment with the County in positions requiring driving.

After an offer of employment has been made and prior to commencement of employment, the County may require persons selected for employment to successfully pass a test for the
presence of alcohol and/or controlled substances. The offer of employment may be conditioned on the results of the examination.

A candidate may be disqualified from consideration if the test reveals use of alcohol and/or controlled substances (other than legally prescribed medications), or if the candidate refuses to be tested.

3.3 EXTRA HELP EMPLOYEES

Elected Officials and Department Heads may use extra help employees to temporarily replace regular employees who are on vacation or other leave, to meet peak work load needs, or to temporarily fill a vacancy until a regular employee is hired. Extra help employees may be hired without competitive recruitment or examination, although all hiring processes must comply with state and federal laws.

Compensation/Benefits: Extra help employees are eligible for overtime pay as required by law. Extra help employees normally do not receive retirement, vacation, sick leave, health insurance, holidays or any other benefits during their employment.

Extra help employees pay contributions to the Social Security system and to Labor and Industries, as does the County on their behalf. Extra help employees are normally not placed on the state PERS retirement system, although there are a few exceptions based on PERS eligibility criteria, such as those who work over seventy (70) hours per month for five (5) months out of twelve on a long term basis (see 7.12).

3.4 EMPLOYMENT OF RELATIVES (NEPOTISM)

The immediate family, by blood or marriage, of current County employees, Elected Officials and County Commission members will not be employed by the County where:

1. One of the parties would have authority, or practical power, to supervise, appoint, remove, or discipline the other;
2. One party would handle confidential material that creates improper or inappropriate access to that material by the other;
3. One party would be responsible for auditing the work of the other; or
4. Other circumstances exist that might lead to potential conflict among the parties or conflict between the interest of one or both parties and the best interests of the County.

Immediate family for the purpose of this section shall include the employee's spouse, parent, child, grandchild, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law and daughter-in-law.
Change in Circumstances: If two employees marry, or become related, and in the County’s judgment, the potential problems noted above exist or reasonably could exist, only one of the employees will be permitted to stay with the County, unless arrangements, as determined by the Board of County Commissioners, can be made to eliminate the potential problem. The decision as to which employee will remain with the County must be made by the two employees within thirty (30) calendar days of the date they marry, or become related. If no decision is made during this time, either employee may be terminated.

3.5 PROMOTIONS

The County encourages promotion from within the organization whenever possible. All openings will be posted so that employees may become aware of opportunities and apply for positions in which they are interested and qualified.

Before advertising a position to the general public, the Human Resources Administrator may choose to circulate a promotional opportunity within the County.

The County reserves the right to seek qualified applicants outside of the organization at its discretion.

All openings will be posted on the bulletin boards where notices for employees are customarily posted. Employees must meet the qualifications for the vacant position to be considered for promotion.
CHAPTER 4  HOURS AND ATTENDANCE

4.1  WORKING HOURS

The County's normal work week is Monday through Friday from 8:00 a.m. to 5:00 p.m. with a one-hour unpaid lunch period. Due to the nature of the County's operations, longer hours may be necessary in some instances.

A normal working schedule for regular, full-time employees consists of forty (40) hours each work week. Different work schedules may be established by the County to meet job requirements and provide necessary County services. Each employee's Elected Official or Department Head will advise the employee regarding their specific working hours.

Part-time and extra help employees will work hours as specified by their Elected Official or Department Head.

4.2  HOURS OF WORK AND OVERTIME

All County positions are designated as either "exempt" or "non-exempt" according to the Fair Labor Standards Act ("FLSA") and Washington Minimum Wage Act regulations. You will be informed of your status by the County.

For most County employees, the established work period is forty (40) hours within a seven (7) day work week. All personnel are responsible for accurately reporting all hours worked and leave taken on forms supplied by the County. Such forms shall be signed by the employee and their supervisor. Employees failing to accurately record time worked and leave taken are subject to discipline.

Non-exempt employees are entitled to additional compensation, either in cash or compensatory time off, when they work more than the maximum numbers of hours during a work period. All overtime must be authorized in advance by the employee's supervisor. Overtime pay is calculated at one and one-half times the employee's regular rate of pay for all time worked beyond the established work period. When computing overtime, time paid for but not worked (e.g., holidays, sick leave and vacation time), is not counted as hours worked.

Exempt employees are not covered by the FLSA or Washington Minimum Wage Act overtime provisions and do not receive either overtime pay or compensatory time in lieu of overtime pay.

Exempt employees who are absent from work shall use paid leave time or have their salaries reduced for the following types of absences:
1. FMLA leave;
2. Participation in political activity;
3. Outside employment, subject to approval; or
4. Other activities that would be in violation of the Conflict of Interest Policy if conducted during regular work hours.
5. A Partial-day of absence of four hours or more (half the employee’s regular workday for an employee working less than a full FTE).

[RESOLUTION 89-19 – 9/3/19]

4.3 COMPENSATORY TIME

Non-exempt employees entitled to overtime pay may request compensatory time off instead of cash payment. This is approved on a case-by-case basis by the supervisor. The County is not required to grant compensatory time instead of overtime pay. If the compensatory time option is exercised, the employee is credited with one and one-half times the hours worked as overtime. Maximum accruals of compensatory time shall not exceed forty (40) hours for regular employees unless a higher limit has been authorized in writing by the Board of County Commissioners. After maximum accrual, overtime compensation shall be paid by the appointing authority’s department. No rollover comp time can be banked, and the allowed forty (40) hours of accrued comp time must be used by the end of each year. If the employee does not use all their accumulated comp time, they will receive a payout for the unused comp time on the December 25 payroll check.

Employees may use compensatory time within a reasonable time period after making a request to their supervisor, unless doing so would unduly disrupt County operations. Compensatory time should be used for short term absences from work during times mutually agreed to by the employee and their supervisor.

Unused compensatory time is nontransferable. When an employee is transferring from one department to another and has a balance of unused compensatory time, the employee is encouraged to use their compensatory time before the effective date of transfer. When this is not possible, the transferring employee shall receive payment in full for the accrued compensatory time from the employee’s former department. Payout for compensatory time is not eligible for a payout payment plan.

Exempt regular employees shall not be entitled to any additional compensation for hours worked more than forty (40) hours per week. Employee’s transferring from non-exempt to exempt positions through either promotion or reclassification are encouraged to use their compensatory, banked holiday, and premium time before the effective date of transfer.
When this is not possible, the transferring employee shall receive payment in full for the accrued compensatory, banked holiday, and/or premium time from the employee’s former department. Such payout shall be paid by the appointing authority’s budget, based on the rate of pay for the position from which the employee is transferring from, not the rate of the new position. Payout for compensatory time is not eligible for a payout payment plan.

[RESOLUTION 89-19 – 9/3/19] [PER RESOLUTION 2020-86, 11/3/20]

4.4 ATTENDANCE

Punctual and consistent attendance is a condition of employment. Each Elected Official and Department Head is responsible for maintaining an accurate attendance record of their employees.

Employees unable to work or unable to report to work on time should notify their supervisor as soon as possible, ordinarily before the work day begins or within thirty (30) minutes of the employee's usual starting time. If an absence continues beyond one day, the employee is responsible for reporting in each day unless excused from daily reporting by their supervisor. If the supervisor is unavailable, the employee may leave a message with the Elected Official/Department Head or their designated representative, stating the reason for being late or unable to report for work.

4.5 UNUSUAL WEATHER CONDITIONS/EXTREME CIRCUMSTANCES

During times of inclement weather or natural disaster, it is essential that the County continue to provide vital public services. Therefore, it is expected that employees make every reasonable effort to report to work without endangering their personal safety.

An employee who is unable to get to work, arrives late to work, or leaves work early because of unusual weather conditions or other extreme circumstances shall charge the time missed to: vacation, floating holiday, compensatory time or if such leave is not available, to leave without pay. The employee shall advise their supervisor by phone or in person as in any other case of late arrival or absence.

In some extreme circumstances, including, but not limited to, flooding, fire, total power outages, or other public health emergencies, one or more County work locations may not be suitable for employees to safely or effectively perform their jobs. Under such circumstances, if employees are sent home after reporting to work or told to report to work later than their regular starting time, they shall be paid for hours missed from work that day. If employees are advised before reporting to work, or if reasonable efforts were made to advise them before reporting to work, that they should not report to work, such absence for time missed from work shall be charged to: vacation, personal holiday, compensatory time or if such...
leave is not available, to leave without pay. In no event shall the decision that some employees cannot work due to conditions at their work location, entitle other employees who worked, compensation beyond their regular pay.

The decision to send employees home or tell them not to report to work shall be made by the Elected Official or Department Head responsible for the work location and is subject to the prior approval of the Board or a single Board member if only one Board member is available. If no Board member is available, the decision of the Elected Official or Department Head shall be final. Such decision shall include consideration of the expected duration of the condition, safety issues affecting employees or the public and alternative work locations.

County Office Closure Procedure
1. When a major snow, ice or storm event is taking place or appears to be imminent, the road operations manager or their designee shall collect information from a variety of community sources to prepare a road condition report as early as possible, but no later than 4:45 a.m. if possible.
2. On or about 4:45 a.m. the designated road operations manager shall contact the Public Works Director or their designee to discuss the road and weather conditions and latest weather forecast.
3. On or about 5:00 a.m. the Public Works Director or designee calls the Commission Chair to advise them of road conditions throughout the county and latest weather forecast and makes recommendation regarding suspending standard operations.
4. The Chair shall decide that:
   a. **Situation does not merit suspending standard operations:** The County will observe normal business operations because road conditions in most areas of the County are not hazardous; all County operations will be conducted to facilitate justice and commerce. Staff may use leave as provided in the Personnel Policy 4.5 Unusual Weather Conditions/Extreme Circumstances; or
   b. **Opening standard operations will be delayed until specified time later in the day (preferably 10:00 a.m. or 12:30 p.m.) [or closed early if conditions merit]** because extremely hazardous conditions currently exist and the safety risks of travel for employees and the public and the associated County liability outweigh the benefit of commencing designated standard operations at the normal time; or
   c. **Extremely hazardous conditions exist and are likely to persist throughout the day** and the safety risks of travel for employees, the public, and the associated County liability outweigh the benefit of conducting designated standard operations this day. **Conduct of standard operations is suspended until a specified time the following day.**
5. The Chair will contact the Presiding Judges of Superior and District Courts to determine if it is necessary to make special accommodations for any of their operations during the suspension of standard operations.

6. By 6:00 a.m., the Chair calls Support Services staff to update the County closure information message number (360-427-9670 ext. 678) with information regarding the duration of the suspension. Support Services will contact the media and the Emergency Management/Information Technology Manager or designee.

7. The Emergency Management/Information Technology Manager or designee shall update the County website with the closure information and broadcast an AlertSense message.

8. If closure occurs during regular work hours, Support Services staff updates the County closure information message number (x678), contacts each county office, sends out an “all county” email, sends notice to website and the media. Emergency Management shall broadcast an AlertSense message.

RESOLUTION 06-13 – 2/12/13, updated RESOLUTION 70-16 – 10/18/16

4.6 BREAKS AND MEAL TIME

Employees will be allowed up to a one (1) hour unpaid lunch period as approved and scheduled by the employee’s supervisor. Employees may take one (1) fifteen-minute break for every four (4) hours worked. Breaks should be arranged so that they do not interfere with County business or service to the public. The scheduling of meal periods may vary depending on department workload. Meal periods are unpaid and usually one hour in length. Lunch periods and breaks shall not be combined and they may not be used to shorten an employee’s workday.

BREAK TIME FOR NURSING MOTHERS PROVISION:

Purpose and Overview
The intent of this policy is to support Mason County employees who are breastfeeding and to meet the requirements of Section 7 of the Fair Labor Standards Act of 1938 (29 U.S.C. 207) as amended by the Patient Protection and Affordable Care Act (effective March 23, 2010). This policy applies to all Mason County employees.

Procedures
This policy provides the following information:

1. A reasonable amount of time to express milk or breastfeed (lactation time)
2. Private and secure rooms to express milk or breastfeed (lactation room)
3. Employee responsibilities
4. Education and support
5. Anti-discrimination, harassment or retaliation
6. Employee Notification

1. Reasonable Amount of Time to Express Milk or Breastfeed (Lactation Time)
Managers must provide an employee a reasonable amount of time to express milk or breastfeed their infants during the workday. The frequency of breaks and the duration may vary. In the early months of a baby’s life, nursing employees will typically need two to three breaks during an eight-hour shift. Typically, the act of expressing breast milk alone will take 15-20 minutes. However, the actual length of break may vary depending on additional factors, such as the location of the private space and the amenities nearby (proximity to sink, milk storage area, etc.)

Reasonable accommodations shall be made to provide breaks of adequate timing and length to support the ongoing production of breast milk. This may necessitate total break time in excess of that regularly scheduled on a temporary basis during the breastfeeding experience. Managers and employees will discuss requested accommodations and any schedule adjustments needed. Nursing mothers may request a flexible work schedule, subject to approval by management, to address their individual needs (e.g. allow employee the flexibility to come in early or stay late, or use a portion of their lunch period, to make up time).

2. Private and Secure Rooms to Express Milk or Breastfeed (Lactation Room)
Federal guidelines provide that a bathroom may NOT serve as a lactation room. Lactation rooms shall be:

- private (window coverings are required);
- secure (lockable from the inside, if possible);
- accommodating (comfortable seating, a table, and power outlets);
- reasonably close to the employee’s work area;
- provided with a sign to designate the space is in use.

Although not required, when possible, the lactation room should also:

- Be near a sink with hot water and soap for hand washing and equipment cleaning.
- Have a place where expressed breast milk can reasonably be stored. This does not mean refrigeration must be provided but employees must be allowed to bring insulated food containers and ensure there is a place to store a pump and containers while they are at work.

Employees in outlying work locations that do not have a designated lactation room should arrange, with their managers, an intermittent or temporary location to be used as a lactation room. Designated lactation rooms may exist at some Mason County worksites; a list of rooms
and scheduling information can be found at: [http://www.co.mason.wa.us/forms/human-resources/lactation-rooms.pdf](http://www.co.mason.wa.us/forms/human-resources/lactation-rooms.pdf)

If no lactation room or other suitable space is available, contact Human Resources for additional assistance or questions at extension 268.

### 3. Employee Responsibilities

Any necessary equipment (breast pump, storage containers, etc.) should be securely stored at the employee's workstation or at another storage area agreed upon by the employee and manager. Employees are responsible for keeping milk expression areas clean, using antimicrobial wipes. Breast milk may be stored in a labeled personal storage cooler or in a tightly closed container in a staff refrigerator.

### 4. Education and Support

Employees have access to additional support and education for breastfeeding through the following resources.

- Health insurance benefits may cover breastfeeding-related resources and services. Contact your specific health insurance provider to inquire about resources available.
- Contact a Mason County Public Health Nurse at x400 for additional resource information.

### 5. Anti-Discrimination, Harassment or Retaliation

Mason County is committed to supporting its employees who are nursing mothers. As with any right conferred under the FLSA, nursing mothers who express milk or nurse their infants during the workday are protected from discrimination, harassment or retaliation for doing so. In addition, Mason County does not tolerate discrimination, harassment or retaliation. Such action is a violation of this policy and any employee engaging in such misconduct may be subject to discipline, up to and including termination.

Any county employee who experiences or witnesses what may be discrimination, harassment or retaliation toward a nursing mother, is strongly encouraged to address it by asking the person to stop the behavior; and/or reporting the alleged incident to the immediate supervisor, any other member of management within the agency, or to Human Resources.

### 6. Employee Notification

- Human Resources shall notify all employees of Mason County’s Breastfeeding Accommodation Policy and Procedures upon adoption.

[PER RESOLUTION 37-14 – 7/8/14]

4.7 CALL BACK

Employees are subject to call back in emergencies or as needed by the County to provide necessary services to the public. Non-exempt employees called back to duty will be paid their appropriate rate of pay for hours worked (the overtime rate for hours worked over the applicable overtime threshold).

4.8 PAYROLL RECORDS

The official payroll records are kept by the Auditor. Each Elected Official and Department Head shall submit monthly, a signed payroll worksheet for all employees within their department, noting hours worked, leave taken, overtime worked and compensatory time taken for each employee. Each Department Head shall submit monthly, a signed statement noting regular hours worked and leave taken to the Board of County Commissioners at the Department Head's first briefing on the following month.
CHAPTER 5  COMPENSATION

5.1  SALARY CLASSIFICATION AND GRADES
Each regular job title within the County is classified into one of the County's job classifications for salary purposes. Each job classification is designated a particular salary or salary range shown on the County's salary range alignment, which is modified periodically by the Board of County Commissioners, or as specified in the applicable union agreement. Employee's classifications, grades, and changes are to be tracked in the County's MUNIS system to maintain the transparency, professionalism, integrity, accountability, respect and partnership between Mason County, its departments and the employees.

5.2  EMPLOYEE PAY RATES
Employees shall be paid within the limits of the salary range to which their positions are assigned. Usually, new employees will start their employment at the minimum wage rate for their classification. However, a new employee may, upon the written request of the Elected Official or Department Head and approval of the Human Resources Administrator, be employed at a higher rate than the minimum.

When deemed appropriate, and approved by the Board of County Commissioners, an employee may be compensated at a Y-Rate, which is a rate of pay that either is between steps of the salary range or exceeds the top step of the salary range. A Y-Rate shall remain in effect until such time as a step of the salary range for the employee's job classification equals or exceeds the Y-Rate or the Board of County Commissioners rescinds their authorization for the Y-Rate.

Pay increases are contingent on satisfactory performance. If an employee's performance is consistently unsatisfactory, the Elected Official or Department Head may defer a scheduled pay increase for a stipulated period of time or until the employee's job, performance is satisfactory.

The Board of County Commissioners may grant a pay adjustment from time to time, raising the salaries of all classifications, a defined group of classifications, or a single classification. Such adjustments, if any, will not normally change an employee's pay anniversary date. The actual day of any pay increase shall be the 1st or 16th of the month, with the exception of working out of class, depending on the date of the anniversary day (e.g., if an employee’s anniversary date is on January 14, the pay increase will take effect January 1).

An employee who has been assigned to perform all of the significant duties of a higher level job classification, due to the absence of the employee who normally holds that position, and
who performs such duties for five (5) or more consecutive days, shall be compensated on that step of the salary range of the higher job class that provides at least a five (5) percent increase over their (the employee working out of class) current rate of pay.

Any current employee who accepts a position in another county office or department (that is, a position under a different Elected Official or Department Head) and that position is of a higher classification and salary range than the employee's current position, will preferably be placed on the step which results in a 5% increase over the employee's current salary. In the event that the Elected Official or Department Head determines that significant training is needed for the employee in the new position, the Elected Official or Department head may offer the position at any step in the higher classification and salary range. [RESOLUTION 61-06, 6/20/06] Upon the request of the Elected Official or Department Head and approval of the Human Resources Administrator, a promoted employee may be placed in a step higher than that specified above.

If the Human Resources Administrator does not concur in a request for advanced step placement for a newly hired or promoted employee, the Elected Official or Department Head may appeal that decision to the County Administrator.

5.3 LONGEVITY

The County shall provide additional monthly compensation, beginning January 1, 2023, above each eligible employee’s base salary to recognize continuous length of service as a County employee, as follows:

<table>
<thead>
<tr>
<th>Total Years of Service Completed</th>
<th>Additional Pay Increment</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-10 Years</td>
<td>0 %</td>
</tr>
<tr>
<td>11-15 Years</td>
<td>1.5 %</td>
</tr>
<tr>
<td>16-20 Years</td>
<td>3.0 %</td>
</tr>
<tr>
<td>21-25 Years</td>
<td>4.5 %</td>
</tr>
<tr>
<td>26 or more Years</td>
<td>6.0 %</td>
</tr>
</tbody>
</table>

Eligible regular part-time employees shall receive longevity pro-rated in proportion to the part-time employee is in pay status during the month as compared to that required of full-time employment.
5.4 RECLASSIFICATION

A reclassification is a change in the allocation of a position from its current job classification to a different job classification as a result of changed duties, responsibilities, and/or authority of a position. Reclassification will be considered when an employee has been permanently assigned to perform the primary functions of a different job classification or has been permanently assigned significantly different duties, which may warrant establishing a new job classification.

An employee may request reclassification by submitting a written request, which includes a justification, to their Elected Official or Department Head. The Elected Official or Department Head shall respond to the employee in writing within thirty (30) working days.

An Elected Official/Department Head may request reclassification of a position by submitting a written request with justification and a revised Job Description to the Human Resources. Human Resources shall respond to the request in writing within thirty (30) working days of receipt of the request.

If approved or denied by Human Resources, the request may then be submitted to the Board of County Commissioners, with written justification from the Elected Official/Department Head for their review. The Board of County Commissioners shall respond to the request in writing within thirty (30) working days of their receipt of the request. If approved by the Board, the reclassification shall be effective as of the date of Board’s action or other effective date as may be set by the Board in such action. If the Board denies the request, the matter is closed.

Step placement of an employee who has been reclassified shall be the same as if the employee had been promoted, transferred, or demoted, whichever is applicable.

[PER RESOLUTION 71-15 – 12/22/15]

5.5 PAYDAYS

County employees are paid semi-monthly on the 10th and 25th of each month and the payroll will be a direct deposit into the bank of the employee's choice. If a regularly scheduled payday falls on Saturday or Sunday, payroll will be a direct deposit on Friday. If a regularly scheduled payday falls on a holiday, payroll will be a direct deposit on the last regular work day prior to the holiday.

[PER RESOLUTION 04-08, 1/8/08]
5.6  **SALARY FOR EXEMPT EMPLOYEES**

The County shall pay exempt employees on a salary basis. The appointing authority shall deduct leave or reduce pay for an exempt employee who is absent from work for the following types of absences:

1. FMLA leave;
2. Participation in political activity;
3. Outside employment, subject to approval; or
4. Other activities that would be in violation of the Conflict of Interest Policy if conducted during regular work hours;
5. A Partial-day of absence of four hours or more (half the employee’s regular workday for an employee working less than a full FTE).

[RESOLUTION 89-19 – 9/3/19]

5.7  **DEDUCTIONS**

Some regular deductions from the employee's earnings are required by law; other deductions are specifically authorized by the employee. The County will withhold from the employee's paycheck those deductions required by law and any voluntary deductions authorized by the employee, by applicable union contract, or by statute. All deductions from pay are deducted from the last check of the month. If an employee is overpaid or required deductions were not withheld, the amount overpaid or not withheld will be deducted from future pay on a reasonable basis unless excused by the Board of County Commissioners.

[PER RESOLUTION 150-07, 11/27/12]

5.8  **TRAVEL EXPENSE REIMBURSEMENT**

Mason County recognizes that out of town travel and related business expenses can be an integral and necessary component of the operation of local government. This policy is intended to establish equitable standards and to provide consistent and fair treatment to all employees who incur such expenses. It is also intended to establish and maintain effective controls over those expenses.

County officials (department heads and elected officials) and County employees are expected to exercise prudent judgment when incurring travel expenses on behalf of the County doing official County business. The failure of employees to follow this policy, or incur excessive expenses, may be cause for disciplinary action. Non-business related expenses and/or expenses not made in accordance with this policy will not be approved or reimbursed.
All travel and associated expenses must be approved in advance by the department head or elected official. Employees will be reimbursed for reasonable and customary expenses actually incurred in connection with doing business on behalf of the County. These may include meals, lodging, transportation and other necessary expenses while away from the office. These expenses may not include: alcoholic beverages; tobacco; tips exceeding 15%; meals, lodging or transportation provided for the employee by an outside entity as part of the employees participation; any expenses for a person(s) traveling with the employee; any expenses incurred that are not in connection with the business of the County.

All requests for payment of travel must be submitted to the Auditor's Financial Services department on forms approved and provided by the Auditor. All required documentation must also be submitted on the approved travel document form. Required travel documents include all itemized receipts, conference/seminar agendas, and all proof of costs incurred while doing business on behalf of the County. Travel documents should be presented to the Auditor's Financial Services department in the month the charges occur.

If an employee chooses to travel to a destination in advance of the necessary time for arrival, or remain at the destination following the official closing of the event, there will be no additional per diem, lodging or miscellaneous expenses paid to the employee.

All requests for payment must be signed by the department head or elected official and the employee that is requesting reimbursement. An employee may not request reimbursement on behalf of another employee.

If an employee is compensated by an outside entity for any travel costs while traveling on behalf of Mason County, the employee will deposit those funds with the Mason County Treasurer. The employee will provide the Auditor's Financial Services department with a copy of the Treasurer's deposit receipt and a detail of the expenses covered.

Any member of a board, committee or commission that is not a Mason County employee, but is an appointed member to do business on behalf of Mason County is subject to all travel rules and documentation noted herein.

**PER DIEM (meal reimbursement)**

All requested meal reimbursement must have a detailed receipt. Meals will be reimbursed, minus any alcohol or a tip exceeding 15%, using the Washington State Office of Financial Management (OFM) per diem rates and, for out of state travel, the U.S. General Services Administration (GSA) per diem rates. The meals will be reimbursed up to the allowable rate for the area and meal on those rate maps. Per diem will be reduced for any meals provided
through conference registration, seminars or similar events. Reimbursement will not be made if the employee chooses not to eat the meal provided and eats elsewhere.

**Single Day Per Diem (meal reimbursement):**
Single day per diem occurs when no overnight stay is required. Single day meal reimbursements are considered taxable wages according to the IRS and will be included as gross taxable income of the employee. An employee must use the single day per diem form and include it with their payroll timesheet information. The department supervisor will forward the per diem form to the Auditor's Financial Services department. The meal will be added to their taxable gross wages and taxed accordingly.

**Per Diem (meal reimbursement) while in overnight travel status:**
If an overnight stay is required, per diem will be based on either OFM (in state) or GSA (out of state) rates for each day the employee is in full travel status. The per diem rate will be based on the location the employee is in for that meal. On days of departure and return, an employee will apply the Three Hour Rule (see rule below).

**Three Hour Rule for per diem (meal reimbursement):**
If an employee is in travel status for three hours beyond their regular work schedule for a single day, they may receive meal reimbursement. The three hours may consist of hours occurring before, after or a combination of both before and after the employee's regular work schedule for the day. The employee may not stop for a meal just to meet the three-hour rule.

**Special Circumstances:**
During emergency situations such as, but not limited to, initial crime scene investigations, major crimes, emergency weather situation, natural disasters, etc., when employees are working extended hours and stopping for a meal break could worsen the emergency or increase costs to the County, departments may provide an on-scene meal of nominal cost. A detailed receipt, including names of all employees/volunteers involved, must be provided. All receipts and pertinent information involving the emergency situation must be included on the claim for payment voucher submitted to the Auditor's Financial Services department. An employee may not claim a per diem meal reimbursement if their County department is also submitting a claim for payment voucher for the same incident.

**Lodging**
All lodging is to be reserved using a government, or most economical, rate whenever possible. County credit cards may be used to secure lodging for a County employee. Reimbursement for lodging is allowed when the temporary duty station is located more
than fifty (50) miles, using the most direct route, of the closer of either the traveler's official residence or official work station.

Reimbursement will be made for the actual lodging expense and any applicable taxes. If there are additional charges for a person(s) traveling with the employee, who is not traveling on behalf of County business, the employee is responsible for all charges for that additional person(s) and it will not be reimbursed. An itemized statement is required for all charges.

If an employee shares an accommodation with another employee or an employee of another entity who is attending the same event, an equal share of the double room rate will be paid on behalf of the Mason County employee. Each employee must submit an original invoice showing the lodging charge for their portion of the room rate.

Not eligible for reimbursement on a lodging receipt are, but not limited to: laundry services; valet service; entertainment expenses; athletic room (gym) charges, internet charges (unless required by their supervisor).

**Transportation**

Any employee driving a vehicle (either County car or personal vehicle) must have and must be able to provide proof of valid car insurance.

Employees are encouraged to reserve and use a pool car from ER&R as much as possible. All county vehicles shall be used in accordance with Mason County ER&R use policy.

If a personal vehicle is used, the mileage will be based on the current IRS standard POV rate. Mileage will be prohibited for normal travel between the usual place of business and employee's main place of residence. When traveling on behalf of the County, mileage will be paid from either the official workstation or the employee's main residence, whichever is the closer and most direct route of the two, to the travel destination.

Mileage shall not exceed what the sum of a round trip coach airfare from a common carrier; any needed local ground transportation and other related costs for that destination.

Airfare (coach rate), car rentals, trains, ferry, tolls, shuttle/taxi, etc. will be reimbursed with a receipt and paid at actual costs. Personal travel insurance will not be reimbursed. Tickets purchased with an employee's individual frequent flyer miles will not be reimbursed.

[PER RESOLUTION 82-12, 11/27/12]
5.9 **COMPENSATION UPON TERMINATION**

When an employee's employment with the County is terminated, the employee will receive the following compensation on the next regularly scheduled payday:

1. Regular wages for all hours worked up to the time of termination, which have not already been paid.
2. Any overtime or holiday pay due.
3. A lump sum payment for accrued but unused vacation provided the employee has completed six (6) months of employment, compensatory time and, for eligible employees, accrued but unused sick leave.
4. A lump sum payment for accrued but unused sick leave for eligible employees hired prior to April 13, 2010 (see Chapter 7.2 for eligibility requirements)

**[PER RESOLUTION 23-10, 4/13/10]**

Terminating employees entitled to payment for accrued leave time, and in the case of employees of the Sheriff's Department, banked holiday time, may request payment for such time in scheduled payments rather than a lump sum. To be eligible for scheduled payments the amount due must be $10,000 or more, the scheduled payments must be $500 or more per month and the employee must agree to conditions established by the county.

**[PER RESOLUTION 95-04, 10/26/04]**

5.10 **RECRUITING EXPENSES**

Reasonable expenses incurred by candidates for management level or hard to fill technical or professional level positions may be reimbursed when such candidates are invited by the appointing authority in writing to Shelton for personal interviews. Expenses will be limited to transportation, lodging and meals. The transportation reimbursement shall be limited to the amount the County would pay for round trip coach class airfare. The written invitation to the interview shall include an explanation of those expenses that will be reimbursed and the method for claiming reimbursement. Such expenses shall be approved by the Board of County Commissioners in advance.

At the discretion of the Board of County Commissioners and with their approval in advance, reasonable moving expenses of a new employee in a management level or hard to fill technical or professional level position may be reimbursed. Such reimbursement shall not exceed $5,000. Moving expenses shall mean the cost of moving household goods, furniture, clothing and other personal effects of the new employee. To be eligible for reimbursement of moving expenses the new employee must agree in writing to refund to the County such
moving expenses if they voluntarily terminate their employment within one year of their hire date.

5.11 UNIFORM ALLOWANCE

Compensation for required employee work apparel shall be based on RCW 49.12.450, which obligates the employer to furnish or compensate an employee for apparel required during work hours, if it is a uniform. Non-Represented employees requesting reimbursement, upon presentation of receipt, under this policy, shall be reimbursed for the purchase of a uniform meeting the following conditions:

1. Notwithstanding the provisions of chapter 49.46 RCW or other provisions of this chapter, the obligation of the employer to furnish or compensate an employee for apparel required during work hours shall be determined only under this section.

2. Employers are not required to furnish or compensate employees for apparel that the employer requires an employee to wear during working hours unless the required apparel is a uniform.

3. As used in this section, "uniform" means:
   a. Apparel of a distinctive style and quality that, when worn outside of the workplace, clearly identifies the person as an employee of Mason County;
   b. Apparel that is specially marked with the employer's logo;

4. Except as provided in subsection (5) of this section, if the employer requires an employee to wear apparel of a common color that conforms to a general dress code or style, the employer is not required to furnish or compensate an employee for that apparel. For the purposes of this subsection, "common color" is limited to the following colors or light or dark variations of such colors: White, tan, gray, blue, or black for tops; and tan, black, blue, or gray, for bottoms. The employer is permitted to require an employee to obtain two sets of wearing apparel to accommodate for the seasonal changes in weather, which necessitate a change in wearing apparel.

5. If the employer changes the color or colors of apparel required to be worn by any of their employees during a two-year period of time, the employer shall furnish or compensate the employees for the apparel. The employer shall be required to furnish or compensate only those employees who are affected by the change. The two-year time period begins on the date the change in wearing apparel goes into effect and ends two years from this date. The beginning and end of the two-year time period applies to all employees regardless of when the employee is hired.
6. For the purposes of this section, personal protective equipment required for employee protection under chapter 49.17 RCW is not deemed to be employee wearing apparel.

[RESOLUTION 89-19 – 9/3/19]

CHAPTER 6  BENEFITS

6.1  RETIREMENT BENEFITS

The County makes contributions to the Social Security System on behalf of all eligible employees in addition to those contributions made by the employee through FICA payroll deductions.

All regular uniformed employees in the Sheriff's Department are covered by the Law Enforcement Officers and Firefighters Retirement System (LEOFF). Benefit levels and contribution rates are set by the State of Washington. All regular full-time and eligible part-time non-uniformed employees are covered under the Public Employees Retirement System (PERS). Benefit levels and contribution rates are set by the State of Washington. Membership in PERS is optional for Elected Officials and the Board of County Commissioners.

Employees intending to retire should notify their Elected Official or Department Head of their intent to retire at least six (6) months prior to the date of retirement.

The County participates in a Section 457 Deferred Compensation Plan which allows employees to make tax deferred contributions up to certain dollar limits defined by the IRS. Contributions and interest earnings from investments are not subject to income tax withholding until time of receipt.

6.2  WORKERS COMPENSATION

Most employees are covered by the State Workers' Compensation Program. This insurance covers employees in case of on-the-job injuries or job-related illnesses. For qualifying cases, State Industrial Insurance will pay the employee for workdays lost and medical costs due to job-related injuries or illnesses. All job-related accidents should be reported immediately to the supervisor along with a completed accident/incident report.

When an employee is absent for one or more days or receives medical attention due to an on-the-job injury, they are required to file a claim for Workers' Compensation. If the employee files a claim and is unable to work, the County will continue to pay (by use of the employee's unused sick leave) the employee's regular salary pending receipt of Workers' Compensation benefits unless the employee requests that sick leave not be used. If the employee has no accrued sick leave, they may request use of vacation leave.

Coordination of Benefits: When the employee receives Workers' Compensation benefits, they are required to repay to the County the amount covered by Workers' Compensation and previously advanced by the County. This policy is to ensure that employee will receive
prompt and regular payment during periods of injury or disability caused by a work related injury so long as accrued leave is available, while ensuring that no employee receives more than they would have received had the injury not occurred. Upon the repayment of funds advanced, the appropriate amount of leave shall be restored to the employee's account.

The County may require an examination at its expense to determine when the employee can return to work and if they will be capable of performing the essential duties of the position with or without reasonable accommodation.

6.3 HEALTH INSURANCE BENEFITS

Regular full-time employees and regular part-time employees working at least eighty (80) hours per month and their dependents are eligible to participate in the County's various insurance programs on the first day of the month following employment, except that if the first day of employment is the first of the month their eligibility shall commence immediately. The programs and criteria for eligibility will be explained upon hire. The County contributes toward the cost of premiums in the amounts authorized by the Board of County Commissioners. The remainder of the premiums, if any, shall be paid by the employee through payroll deduction. The County reserves the right to make changes in the carriers and provisions of these programs at its discretion, with prior notice to affected employees. Employees electing not to take coverage for those insurance programs that the County contributes toward the cost of premiums may be required to sign a waiver of coverage.

Extra help employees will normally not be eligible for insurance coverage.

6.4 CONTINUATION OF INSURANCE COVERAGE

Workers Compensation Leave: An employee receiving Workers Compensation benefits who has exhausted their sick and vacation leave continues to accrue vacation leave and sick leave for up to six (6) months. The County also continues to pay for the employer's portion of health insurance premiums, provided that the employee continues to pay their share of premiums, if any. After six (6) months, the employee's benefits shall cease unless the Board of County Commissioners makes an exception based on the criteria stated in Section 1.4 of these policies. The employee may continue health care benefits by self-paying insurance premiums for the remainder of the time they receive Workers Compensation benefits.

COBRA Rights: When certain qualifying events occur, including an employee's termination from County employment, beginning an unpaid leave of absence, or a reduction in hours worked, at the employee's option and expense, the employee may be eligible to continue County health insurance benefits to the extent provided under the federal COBRA statutes and regulations. Covered dependents may also be eligible, at their option and expense, to
continue County health insurance coverage. To the extent allowed by law, an administrative handling fee over and above the cost of the insurance premium may be charged the employee or their dependents who elect to exercise their COBRA continuation rights. An explanation of COBRA rights will be provided to new hires, annually to current employees, and when a qualifying event occurs.

Termination, Retirement, Leave of Absence: For eligible employees who terminate, retire or are on an approved leave of absence, the County will pay the premium for the month the employee is leaving, provided the employee is on paid status for the eighty (80) hours in the month.

6.5 UNEMPLOYMENT COMPENSATION

County employees may qualify for State Unemployment Compensation after termination from county employment depending on the reason for termination from employment.
CHAPTER 7 LEAVES

Some leaves listed in Chapter 7 affect an employee’s paycheck, benefits, and receipt of information such as state retirement and W-2’s, therefore a Personnel Action Form may be required to be entered into the County’s financial system as outlined in Chapter 5.11 Personnel Action Policy.

7.1 VACATION LEAVE

Each regular full-time employee shall accrue paid vacation leave as follows:

Years of Continuous Service Vacation Days Earned
1-3 years 12 days per year
4-7 years 15 days per year
8-9 years 18 days per year
10-11 years 20 days per year
12-14 years 22 days per year
15-16 years 23 days per year
17-19 years 24 days per year
20 or more years 25 days per year

All new employees must satisfactorily complete their trial period to be entitled to the accrual and use of vacation leave. Regular part-time employees will receive vacation on a pro-rata basis. Extra help employees are not eligible for any vacation benefits. Employees do not accrue vacation benefits during a leave without pay.

Usually, new employees will start their employment at the minimum vacation accrual rate. However, as part of the negotiated compensation package, for an at will position, a new employee may, upon the written request of the Elected Official or Department Head and approval of the Human Resources Administrator, be employed at a higher accrued vacation rate than the minimum.

Regular full-time employees must work, or be in a paid status, at least eighty (80) hours in a month to accrue vacation for the month. Regular part-time employees must work, or be in a paid status, at least in the same proportion to eighty (80) hours as their regular hours are to full-time employment to accrue vacation for that the month.

[PER RESOLUTION 95-04, 10/26/04]

The first day of the month of hire shall be the effective date of subsequent increases in the vacation accrual rate for employees hired between the first and the fifteenth of the month. The first day of the month following the month of hire shall be the effective date of subsequent increases in the vacation accrual rate for employees hired between the sixteenth and the last day of the month.
Each department is responsible for scheduling its employees' vacations without undue disruption of department operations. Leave requests shall normally be submitted at least two weeks prior to taking vacation leave.

The maximum number of vacation days, which may be accrued, is fifty (50) days. Any vacation days earned beyond fifty (50) days shall be forfeited. Employees will be paid for unused vacation time upon termination of employment, except in the case of termination during the first six months of employment. Employees who resign their position to assume an Elected Office will be paid for unused vacation time upon termination of employment.

7.2 SICK LEAVE

Paid sick leave is available for employees to care for their own health and for the health of their family members.

7.2.1 Eligibility Requirements

- Regular and Part-Time Regular employees are eligible to use sick leave from their date of hire and may use paid sick leave hours as they are earned; and
- Employees in part-time, on-call and seasonal and, non-regular positions will accrue sick leave from the date of hire, but are not eligible to use accrued leave until 90 days after their hire date.
- Per RCW, 3.34.100 district judges shall be granted sick leave in the same manner as other county employees.

Examples of situations for which leave without pay, or a reduced work schedule may be granted include time off work for personal reasons, such as prolonged illness, parenting, caring for an ill relative, or pursuing an education. Such leave will not normally exceed ninety (90) days.

7.4 JURY AND WITNESS LEAVE

Jury Duty. The County provides all employees leave for jury service. Regular full-time and part-time employees who have completed their trial period receive paid jury duty leave each time they are called for jury service. Payment provided by the courts during periods of paid jury duty leave must be paid over to the County, excluding expense reimbursements, such as mileage. Witness Duty. All employees summoned to testify in court are allowed time off for the period they serve as witnesses. If you are paid by the County for time you are testifying, payment provided by the courts during periods of paid witness duty must be paid over to the County, excluding expense reimbursements, such as mileage. In general, witness duty leave is paid unless you are a party in the case.

7.5 ADMINISTRATIVE LEAVE

On a case-by-case basis, the County may place an employee on administrative leave with or without pay for an indefinite period of time. Administrative leave may be used in the best interests of the County (as determined by the Board) during the pendency of an investigation or other administrative proceeding.

7.6 MILITARY LEAVE

Based on RCW 38.40.060, the County provides all employees leave while performing military service in accordance with federal and state law. Regular full-time and part-time employees receive paid military leave of up to 21 working days per year for military service. In general, if military service extends beyond 21 working days, the additional leave will be unpaid. All employees who are not eligible for paid military leave are provided unpaid leave for a period
of their military service. Military service includes active military duty and Reserve or National Guard training. You are required to provide your supervisor with copies of your military orders as soon as possible after they are received. Reinstatement upon return from military service will be determined in accordance with applicable federal and state law.

7.7 FAMILY LEAVE

The County complies with the Federal Family and Medical Leave Act of 1993 (the FMLA) and all applicable state laws related to family and medical leave. This means that, in cases where the law grants you more leave than County leave policies provide, the County will give you the leave required by law.

Family Leave Eligibility: The FMLA provides up to 12 weeks of unpaid, job-protected leave every 12 months to eligible male and female employees for certain family and medical reasons. To be eligible you must have worked for the County for at least one year, and for 1,250 hours over the previous 12 months.

Reasons for Taking Leave: Unpaid FMLA leave is granted for any of the following reasons:

- To care for your child after birth or placement for adoption or foster case.
- To care for your spouse, son, daughter or parent who has a serious health condition.
- For a serious health condition that makes you unable to perform the essential functions of your job.

Leave to care for a child after birth or placement for adoption or foster care must be concluded within 12 months of the birth or placement.

Under such circumstances as allowed by law, FMLA leave may be taken intermittently -- which means taking leave in blocks of time, or by reducing your normal weekly or daily work schedule.

Substitution of Paid Leave: At your request or the County's, certain kinds of paid leave may be substituted for unpaid FMLA leave. Accrued vacation may be substituted for any type of FMLA leave. Accrued sick leave may be substituted only in the circumstances where County policies or state law allow you to use that paid leave.

If you have any sick leave available that may be used for the kind of FMLA leave you are taking, it is the County's policy that you must use that paid sick leave as part of your FMLA leave. Use of vacation time for FMLA leave, however, is at your option.

If you use paid leave for a purpose for which FMLA leave would be available, it is the County's policy to designate your paid leave as counting against your FMLA leave allowance.
You are required to notify us if you use paid leave for a reason covered by the FMLA so that we may properly account for the leave.

Advance Notice and Medical Certifications: The County requires that you provide us with advance leave notice, with medical certification, of the need for a leave related to a health condition, and with medical certification of your fitness to return to duty after medical leave. Taking leave, or reinstatement after leave, may be denied if these requirements are not met.

You must give us at least 30 days' advance notice of your request for leave if the reason for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment. If 30 days’ notice is not practicable, you must give us notice as soon as practicable, usually within one or two business days of when the need for leave becomes known to you. If you do not give us 30 days' advance notice, and if the need for the leave and the approximate date of the leave were clearly foreseeable by you, we may deny your request for leave until at least 30 days after the date you give us notice.

We require that you provide a medical certification to support a request for leave because of a serious health condition (your own or your child's, spouse's or parent's) whenever the leave is expected to extend beyond five consecutive working days or will involve intermittent or part-time leave. We may require second or third opinions, at our option, at our expense.

We may require that you provide a medical certification of your fitness for duty to return to work after a medical leave.

Periodic Reporting: If you take leave for more than two weeks, we may require that you report to us at least every two weeks on your status and intent to return to work.

Health Insurance: If you are covered by our group health plan (medical, dental or vision), we will continue to provide paid health insurance during FMLA leave on the same basis as during regular employment. But if you don't return to work after the leave, you will be required to pay us back for our portion of the insurance premiums unless your failure to return was beyond your control.

Other Insurance: If you are covered by other insurance plans through us, such as life insurance, those coverages will continue during paid leave on the same basis as during regular employment. If you take unpaid FMLA leave, you will be responsible during the leave for the premiums you normally pay plus the premiums we normally pay for you. If you don't pay these premiums, we may choose to pay them for you, to keep your coverage from lapsing, but you will be responsible for repaying us whether or not you return to work.
Couples Employed by Us: If both you and your spouse work for us and you request leave for the birth, adoption or foster care placement of a child, to care for a new child, or to care for a sick parent, the total annual FMLA leave available to you as a couple for those purposes is 12 weeks.

Determining Leave Availability: FMLA leave is available for up to 12 weeks during a 12-month period. For purposes of calculating leave availability, the "12-month" period is a rolling 12-month period measured backwards from the date you use any FMLA leave.

Leave Related to Pregnancy. If you take leave for the disability phase of pregnancy or childbirth while you are physically unable to work, this time is counted against your annual 12-week FMLA leave allowance. For example, if you take six weeks of FMLA leave for childbirth and recovery from childbirth, you are entitled to only six weeks of FMLA leave after that to care for your new child.

You are entitled to unpaid leave for the full period of your physical disability resulting from pregnancy and childbirth, even if you are disabled for more than 12 weeks, and even if you don't qualify for leave under the federal law.

7.8 BEREAVENTMENT LEAVE

We provide regular, full-time and part-time employees with paid bereavement leave for up to three (3) days in the event of the death of an immediate family member. Two additional days chargeable to accrued sick leave will be granted at the request of the employee. Immediate family for purposes of bereavement leave includes only the employee's spouse, parent, grandparent, child, grandchild, sister, brother, grandmother-in-law, grandfather-in-law, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, aunt, uncle, nephew or niece.

7.9 WASHINGTON PAID FAMILY & MEDICAL LEAVE

Effective December 31, 2019 Mason County shall remove the Shared Leave Program based on the Washington Paid Family & Medical Leave, which pays employees who qualify, for family medical leave based on a qualifying event.

[RESOLUTION 89-19 – 9/3/19]

Paid Family and Medical Leave Overview:

Paid Family and Medical Leave, RCW 50A.04 is a mandatory statewide insurance program that will provide almost every Washington employee with paid time off to give or receive care.
If you qualify, this program will allow you to take up to 12 weeks, as needed, if you:

- Welcome a child into your family (through birth, adoption or foster placement)
- Experience a serious illness or injury
- Need to care for a seriously ill or injured relative
- Need time to prepare for a family member’s pre- and post-deployment activities, as well as time for childcare issues related to a family member’s military deployment.

For specifics on military-connected paid leave, visit www.dol.gov/whd/regs/compliance/whdfs28mc.pdf

If you face multiple events in a year, you might be eligible to receive up to 16 weeks, and up to 18 weeks if you experience a serious health condition during pregnancy that results in incapacity.

Payment of Premiums:

The program is funded by premiums paid by both employees and employers. It will be administered by the Employment Security Department (ESD).

Premium collection started on Jan. 1, 2019. In 2019, the premium is 0.4 percent of wages. Employers can either pay the full premium or withhold a portion of the premium from their employees. Employers who choose to withhold premiums from their employees may withhold up to about 63 percent of the total premium, or $2.44 per week for an employee making $50,000 annually. The employer is responsible for paying the other 37 percent. Businesses with fewer than 50 employees are exempt from the employer portion of the premium but must still collect or opt to pay the employee portion of the premium.

Premium collection began Jan. 1, 2019. Your employer will calculate and withhold premiums from your paycheck and send both your share and theirs to ESD on a quarterly basis.

Taking Leave:

Starting Jan. 1, 2020, employees who have worked 820 hours in the qualifying period (equal to 16 hours a week for a year) will be able to apply to take paid medical leave or paid family leave. The 820 hours are cumulative, regardless of the number of employers or jobs someone has during a year. All paid work over the course of the year counts toward the 820 hours, including part-time, seasonal and temporary work.

While on leave, you are entitled to partial wage replacement. That means you will receive a portion of your average weekly pay. The benefit is generally up to 90 percent of your weekly
wage, with a minimum of $100 per week and a maximum of $1,000 per week. You will be paid by the Employment Security Department rather than your employer.

Unlike the federal Family and Medical Leave Act (FMLA), employees of small businesses may take Paid Family and Medical Leave if they meet the standard eligibility requirements.

Please go to paidleave.wa.gov for more information on applying for benefits.

Leave Protection:

Employees who return from leave under this law will be restored to a same or equivalent job if they work for an employer with 50 or more employees, have worked for this employer for at least 12 months, and have worked 1,250 hours in the 12 months before taking leave (about 24 hours per week, on average).

You can keep your health insurance while on leave. If you contribute to the cost of your health insurance, you must continue to pay your portion of the premium cost while on leave.

Your employer is prohibited from discriminating or retaliating against you for requesting or taking paid leave.

CHAPTER 8 EMPLOYEE RESPONSIBILITIES AND CONDUCT

8.1 GENERAL CODE OF CONDUCT

All County employees are expected to represent the County to the public in a professional manner which is courteous, efficient and helpful. Employees must maintain a clean and neat appearance appropriate to their work assignment, as determined by their position and Elected Official or Department Head.

Since the proper working relationship between employees and the County depends on each employee's on-going job performance, professional conduct and behavior, the County has established certain minimum standards of personal conduct. Among the County's expectations are: Basic tact and courtesy towards the public and fellow employees; adherence to County policies, procedures, safety rules and safe work practices; compliance with directions from supervisors; preserving and protecting the County's equipment, grounds, facilities and resources; and providing orderly and cost efficient services to its citizens.

The County is a relatively small organization. To function as efficiently as possible, we may ask you to perform seemingly "menial" duties outside your regular assignments. It is no reflection on your worth to the County, but a necessary arrangement for most small organizations.

To make the most efficient use of personnel, the County also reserves the right to change your work conditions and the duties originally assigned. If these arrangements become necessary, we expect your best cooperation.

8.2 OUTSIDE EMPLOYMENT AND CONFLICTS OF INTEREST

Employees shall not, directly or indirectly, engage in any outside employment or financial interest which may conflict, in the County's opinion, with the best interests of the County or interfere with the employee's ability to perform their assigned County job. Examples include, but are not limited to, outside employment which:

1. prevents the employee from being available for work beyond normal working hours, such as emergencies or peak work periods, when such availability is a regular part of the employee's job;
2. is conducted during the employee's work hours;
3. utilizes County telephones, computers, supplies, or any other resources, facilities or equipment;
4. is employment with a firm which has contracts with or does business with the County; or
5. may reasonably be perceived by members of the public as a conflict of interest or otherwise discredits public service.

Employees considering or engaged in an additional job, contractual commitment or self-employment, who are concerned about a conflict of interest should discuss the matter with their Elected Official or Department Head.

8.3 REPORTING IMPROPER GOVERNMENTAL ACTION

General Policy:
In compliance with the Local Government Employee Whistleblower Protection Act, RCW 42.41.050, this policy is created to encourage employees to disclose in good faith, improper governmental action taken by County officials or employees without fear of retaliation. This policy also safeguards legitimate employer interests by encouraging complaints to be made first to the County, with a process provided for speedy dispute RESOLUTION.

Key Definitions:
Improper Governmental Action: any action by a County Officer or employee that is:

1. undertaken in the performance of the official's or employee's official duties, whether or not the action is within the scope of the employee's employment, and
2. in violation of any federal, state or local law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds.
3. "improper governmental action" does not include personnel actions including but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, reemployment, performance evaluations, reductions in pay, dismissals, suspensions, reprimands, demotions, violations of the local government collective bargaining and civil service laws, alleged labor agreement violations or any action that may be taken under Chapter 41.14 or 41.56 RCW.

Retaliatory Action: means any (a) adverse change in a local governments employee's employment status, or the terms and conditions of employment including denial of adequate staff to perform duties, frequent staff changes, frequent and undesirable office changes, refusal to assign meaningful work, unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations, demotion, transfer, reassignment, reduction in pay, denial of promotion, suspension, dismissal or any other disciplinary actions; or (b) hostile actions by other employees toward a local government employee that were encouraged by a supervisor or senior manager or official.
Emergency: a circumstance that if not immediately changed may cause damage to persons or property.

Procedure for Reporting Improper Government Action: County employees who become aware of improper governmental action shall follow this procedure:

1. Bring the matter to the attention of the Board of County Commissioners or the Prosecuting Attorney, preferably in writing, stating in detail the basis for the employee's belief that an improper action has occurred. This shall be done as soon as the employee becomes aware of the improper action.
2. The Board of County Commissioners or the Prosecuting Attorney, or their designee, shall respond to the report of improper government action, within thirty (30) days of the employee's report. The employee shall be advised of the County's response.
3. The identity of a reporting employee shall be kept confidential to the extent possible under the law, unless the employee authorizes the disclosure of their identity in writing.

An employee who fails to make a good faith effort to follow this policy shall not be entitled to the protection of this policy against retaliation, pursuant to RCW 42.41.030.

In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may bypass the above procedure and report the improper action directly to the appropriate government agency responsible for investigating the improper action.

Employees may report information about improper governmental action directly to an outside agency if the employee reasonably believes that an adequate investigation was not undertaken by the County to determine whether an improper government action occurred, or that insufficient action was taken by the County to address the improper action or that for other reasons the improper action is likely to recur.

Protection Against Retaliation: It is unlawful for a local government to take retaliatory action because an employee, in good faith, provided information that improper government action occurred. Employees who believe they have been retaliated against for reporting an improper government action shall follow this procedure:

Procedure for Seeking Relief Against Retaliation:

1. Employees shall provide a written complaint to the Board of County Commissioners within thirty (30) days of the occurrence of the alleged retaliatory action.
   a. The written charge shall specify the alleged retaliatory action; and
   b. Specifies the relief requested.
2. The Board of County Commissioners or their designee shall respond in writing within thirty (30) days of receipt of the written charge.

3. After receiving the County's response, the employee may request a hearing before a state administrative law judge to establish that a retaliatory action occurred and to obtain appropriate relief under the law. The request for hearing must be delivered within the earlier of either fifteen (15) days of receipt of the County's response to the charge of retaliatory action or forty-five (45) days of receipt of the charge of retaliation to the Board of County Commissioners for response.

4. Within five (5) working days of receipt of a request for hearing the County shall apply to the State Office of Administrative Hearing's for an adjudicative proceeding before an administrative law judge. At the hearing, the employee must prove that a retaliatory action occurred by a preponderance of the evidence in the hearing. The administrative law judge shall issue a final decision not later than forty-five (45) days after the date of the request for hearing, unless an extension is granted.

5. The final decision of the administrative law judge is subject to judicial review under the arbitrary and capricious standard. Relief ordered by the administrative law judge may be enforced by petition to superior court.

Policy Implementation: The Board of County Commissioners is responsible for implementing these policies and procedures. This includes posting the policy on County bulletin boards, making the policy available to any employee upon request, and providing the policy to all newly hired employees. Officers, managers and supervisors are responsible for ensuring the procedures are fully implemented within their areas of responsibility.

Prohibition on intimidation of whistleblower – Nondisclosure of protected information: County Elected Officials or employees may not use their official authority or influence, directly or indirectly to threaten, intimidate, or coerce an employee for the purpose of interfering with that employee's right to disclose information concerning an improper governmental action in accordance with the provisions of this policy.

[PER RESOLUTION 27-16, 5/24/2016]

answering of questions from the media. They may designate specific employees to give out
procedural, factual or historical information on particular subjects.

8.10 SOLICITATIONS
Most forms of selling and solicitations are inappropriate in the workplace. They can be an
intrusion on employees and citizens and may present a risk to employee safety or to the
security of County or employee property. The following limitations apply:

1. Persons not employed by us may not solicit, survey, petition, or distribute literature
   on our premises at any time. This includes persons soliciting for charities,
salespersons, questionnaire surveyors, or any other solicitor or distributor.
   Exceptions to this rule may be made in special circumstances where the County
determines that an exception would serve the best interests of the organization and
our employees. An example of an exception might be the United Way campaign or a
similar, community-based fund raising effort.
2. Employees may not solicit for any purpose during work time. Reasonable forms of
   solicitation are permitted during non-work time, such as before or after work or
during meal or break periods. Soliciting employees who are on non-work time may
not solicit other employees who are on work time. Employees may not distribute
literature for any purpose during work time or in work areas. The employee
lunchrooms are considered a non-work area under this policy.
8.11  SAFETY

Every employee is responsible for maintaining a safe work environment and following the County’s safety rules. The County will make every effort to remedy problems as quickly as possible.

In case of an accident involving a personal injury, regardless of how serious, employees shall immediately notify their supervisor and complete an accident/incident report.

Employee safety depends on the safety consciousness of everyone. In order to facilitate a safe work environment, employees may not bring dangerous weapons to the workplace. This includes, but is not limited to, weapons for which employees have a valid permit. The only exception to this rule involves law enforcement positions for which the job regimes possession of dangerous weapons.

Employees should consult the County’s Safety Policy and Accident Prevention Program for additional details concerning safety.

8.12  SUBSTANCE ABUSE

The County’s philosophy on substance abuse has two focuses: (1) a concern for the well-being of the employee and (2) a concern for the safety of other employees and members of the public.

Availability of Rehabilitation or Treatment: As part of our employee assistance program, we encourage employees who are concerned about their alcohol or drug use to seek counseling, treatment and rehabilitation. Although the decision to seek diagnosis and accept treatment is completely voluntary, the County is fully committed to helping employees who voluntarily come forward overcome substance abuse problems. In most cases, the expense of treatment may be fully or partially covered by the County’s benefit program. Please contact the EAP or Human Resources for more information. Employees who seek advice or treatment will not be subject to retaliation or discrimination.

Substance Abuse Policy for Operators of Commercial Motor Vehicles: County employees who hold commercial driver’s licenses ("CDLs") and who operate commercial motor vehicles while employed by the County are subject to additional rules and regulations imposed by the federal government. These regulations require urine drug testing and alcohol breath testing in the following circumstances:

1. pre-employment;
2. reasonable suspicion;
3. post-accident;
4. return to duty testing;
5. random testing.

CDL holders who test positive must be removed from service and are subject to discipline, up to and including termination. CDL holders should consult the County's CDL policy for additional details concerning these rules.

Employees also must notify the County within five (5) days of any conviction for a drug violation in the workplace. Employees should consult the Drug-Free Work Place Policy for additional details on this subject.

Exception: Nominal value items ($10.00 or less) with company logos, given for advertising purposes such as samples, pens, calendars, coffee cups and ball caps are acceptable. Requesting, or knowingly accepting, discounts on purchases, tickets, meals, travel, clothing, etc., for personal use is not acceptable.

[PER RESOLUTION 95-04, 10/26/04]
CHAPTER 9  LAYOFF AND RESIGNATION

9.1  LAYOFF

The County may lay off employees for lack of work, budgetary restrictions, reorganization or other changes that have taken place.

In determining who is to be laid off, consideration will usually be given to individual performance and the qualifications required for remaining jobs. Seniority will be considered when performance and qualifications are equal, as determined by the County. Employees who are laid off may be eligible to be re-employed for up to one (1) year after layoff, if a vacancy occurs in a position for which they are qualified.

9.2  RESIGNATION

An employee should provide two (2) weeks written notice of resignation. This time limit may be waived by the employee's Elected Official or Department Head (if retiring see 6.1).
CHAPTER 10  COMPLAINT PROCEDURES

10.1 COMPLAINT PROCEDURES

The County recognizes that sometimes situations arise in which employees feel that they have not been treated in accordance with County policies. For this reason the County provides its employees with procedures for resolving complaints.

Step 1: Employees should first try to resolve any problem or complaint with their supervisor.

Step 2: When normal communication between an employee and the supervisor is not successful, or when an employee disagrees with the application of County policies and procedures, the employee should attempt to resolve the problem with their Elected Official or Department Head. The Elected Official or Department Head will usually respond to the employee in writing within five (5) days after meeting with them, if possible.

Step 3: If the employee is not satisfied with the response in Step 2 above, the employee may submit the problem, in writing, to the Board of County Commissioners or their designee. The written complaint must contain, at a minimum:

1. A description of the problem;
2. A specific policy or procedure which the employee believes has been violated or misapplied;
3. The date of the circumstances leading to the complaint or the date when the employee first became aware of those circumstances;
4. The remedy sought by the employee to resolve the complaint.

The written complaint must be filed within ten (10) working days of receiving a response from Step 2 above.

The Board of County Commissioners or their designee may meet with the parties, either individually or together, and will usually respond in writing to the aggrieved employee within ten (10) days of the meeting. The response and decision shall be final and binding.

Certain employees may have more than one source of dispute resolution rights, i.e., the County's Civil Service rules, a collective bargaining agreement, if any, and this complaint process. Employees represented by a bargaining unit or who are covered under civil service rules should follow grievance procedures set out in their respective labor contracts or civil service rules, where applicable. In all other cases, the procedures described in this section shall be used. Under no circumstances shall an employee have the right to utilize both this process and any other complaint or appeal procedure that may be available to an employee.
CHAPTER 11  EDUCATIONAL ASSISTANCE

11.1  INTRODUCTION

If budgetary considerations permit, Mason County may reimburse full-time regular employees for education costs for courses approved by the respective Elected Official or Department Director. Approval for reimbursement will be dependent upon the course and its relevance to the employee's current position. Approval must be obtained prior to commencement of each course per semester. Attendance at all course offerings will be outside the employee's regular duty schedule.

11.2  OBJECTIVE

The objective of this policy is to assist employees in furthering their education in an effort to enhance current skills for the benefit of the County and the general public.

11.3  PROCEDURES:

1. Educational assistance will be authorized only when the budget of the Office or Department contains sufficient funds to support this policy AND the course of study will be of benefit to the Office or Department. Access to educational assistance will be solely determined by the Elected Official or Department Head, as appropriate.

2. If approved, reimbursement for coursework relevant to the employee's current position is subject to the limitations in paragraphs 8 and 9, below. Approval of a course of study by the Elected Official or the Department Director is required prior to approval of the courses required in that course of study. Accordingly, the Elected Official or Department Director will review employee applications for educational assistance on a course-by-course basis.

3. All relevant bachelor's degrees and associate's degrees, assuming that the employee does not already have a bachelor's or associate's degree, may, upon approval of the Elected Official or Department Head, be reimbursed subject to the limitations in paragraphs 8 and 9, below. This would apply regardless of the position the employee holds.

4. Certificates or continuing education units (CEU) required for continued certification may be reimbursed at 100 percent.

5. A second degree directly relevant to the employee's current position as determined by the Elected Official or Department Director to be in the best interests of the County may be reimbursed subject to the limitations in paragraphs 8 and 9, below, only if: 1) the first degree is not directly applicable to the employee's position; or, 2) it is an advanced degree in a field of study relevant to the employee's current position.
6. There is no limit to the number of credit hours eligible for reimbursement per semester/quarter. Employees are encouraged to be prudent in the selection of the number of courses attempted each semester. Employees must be in paid status when reimbursement is sought. For the purpose of this policy, paid status is defined as working the employee's regular schedule or on approved vacation leave.

7. Employees must satisfactorily complete the course work to be considered for reimbursement. Satisfactory completion is defined as award of a grade of "C" or higher, or the equivalent, in the coursework for which reimbursement is sought.

8. Reimbursement will be up to the tuition rate at the University of Washington or Washington State University, whichever institution offers the course of instruction concerned. If both Universities offer the course of instruction, the reimbursement rate will up to the lower rate of the two universities. This rate will apply to courses of instruction at private universities, correspondence programs or other high cost programs.

9. All required fees may be reimbursed at the designated approval percentage. Books, lab and building use fees will be reimbursed at 50 percent, regardless of the course of study.

10. Initial approval of a course of study does not obligate the County to future/continued approval of courses in that course of study. Course approvals are only valid for the course and semester/quarter given.
CHAPTER 12  NON-DISCRIMINATION & HARASSMENT POLICY

12.1 PURPOSE
The purpose of this policy is to provide guidelines to elected officials, department heads, employees, volunteers, and members of the public to ensure equal access to County services and employment opportunities regardless of a person's sex, race, national origin, religion, age, disability, marital status, creed, political belief, sexual orientation, veteran's status, or any other protected status under federal or state statute. Additionally, the policy provides guidelines for identifying, reporting, and resolving claims of discrimination or related retaliation. This policy supersedes all previous non-discrimination and sexual harassment policies issued by Mason County.

To further promote the Board of County Commissioners' commitment to non-discrimination, the County will conduct periodic meetings with executive, management, and supervisory personnel to explain the intent of the non-discrimination policies and to clarify management's responsibility for effective implementation. This Non-Discrimination Policy will be distributed and reviewed in new employee orientation sessions.

12.3 POLICY
The County takes complaints of discrimination, harassment and retaliation seriously and will investigate and resolve such complaints in a timely manner.

12.4 EQUAL OPPORTUNITY FOR PERSONS WITH DISABILITIES

It is the policy of Mason County to guarantee equal opportunity to persons with disabilities to participate in and enjoy the benefits of County services, programs and activities, and to allow disabled employees a bias-free work environment. The County, upon request, will provide reasonable accommodation in compliance with the Americans with Disabilities Act (ADA) and the Americans with Disabilities Act Amendment Act (ADAAA).

Board and commission meetings will be held in accessible locations.

It is the responsibility of the person with the disability to disclose the existence of the disability if reasonable accommodation is to be requested.

12.5 EMPLOYEE RESPONSIBILITIES

Each employee is responsible for supporting and adhering to this policy. It is the responsibility of all County employees to bring instances of inappropriate behavior to the attention of management. This includes employees who believe they are the recipient of discriminatory behavior as well as those who believe they have witnessed such behavior directed at another employee. Employees should never tolerate inappropriate or harassing behavior. If possible, they should make their feelings known to the offending employee. Whether they confront the harasser or not, employees must promptly report any offending behavior to their department head or elected official or to the County Human Resources Department. Employees are strongly encouraged to report concerns about discrimination or harassment before behaviors become severe or pervasive. This will assist the County in its efforts to stop discrimination or harassment before it rises to the level of a violation of anti-discrimination laws.

12.6 SUPERVISOR / MANAGER RESPONSIBILITIES

When a supervisor, manager, department head or elected official suspects or has reason to believe that discriminatory behavior has occurred, they shall immediately notify the Manager of Human Resources or the Office of the Prosecuting Attorney and report the incident.

12.7 COUNTY RESPONSIBILITIES

County Management representatives will promptly and thoroughly investigate all reports of discrimination or harassment. Complaints against either the Human Resources Department or the Prosecuting Attorney’s Office will be investigated by a non-county agency. Complaints of discrimination and harassment will be handled with sensitivity, discretion, and confidentiality to the extent allowed by the circumstances and the law.
If the County concludes that a violation of this policy occurred, prompt and effective remedial action will be taken. This may include disciplinary action and/or other actions needed to remedy the effects of the discrimination and prevent further incidents.

12.8 COMPLAINT PROCEDURE

Mason County is committed to maintaining a work environment free from bullying, discrimination, or sexual harassment. As such, Mason County shall strictly enforce this policy against unlawful discrimination, including sexual harassment, and encourages those who feel aggrieved to seek assistance as outlined in this policy.

Persons who feel that they may have been bullied, discriminated against or sexually harassed, or are aware of actions against another person that may be in violation of this policy, shall immediately contact either their immediate supervisor, their department official, or the Human Resources Department. Complaints should be submitted in writing using the Mason County Internal Discrimination Complaint Form, a copy of which must be submitted to the Human Resources Department.

If the complaint is reported to the employee's supervisor or department official, that individual may investigate the complaint or may request that the Human Resources Department perform the investigation. Any person may file a complaint under this policy when the person believes:

- They have been the target of discrimination or harassment (including bullying);
- They have personal and first-hand knowledge of behavior believed to be in violation of this policy; or
- They have been retaliated against for having reported behavior believed to be in violation of this policy.

The complaint must be filed within 180 days of the alleged violation of this policy. The complaint should include a description of the alleged violation, the date it occurred, and the name, signature, address and phone number of the person filing the complaint. The complaint must include sufficient information to allow for investigation into the allegations.

In addition to filing a complaint with Mason County, an individual may file a written complaint within 180 days of the alleged violation with the Washington State Human Rights Commission and/or the Equal Employment Opportunity Commission. Employees are encouraged to exhaust administrative remedies outlined in this policy before outside agencies are consulted. The use of the County's internal discrimination complaint procedure is not a prerequisite to the pursuit of such statutory remedies.
When an employee or union files both a grievance and an internal discrimination complaint regarding the same alleged acts or incidences, the investigation and processing of one shall be suspended until the other is completed.
12.9 INTERNAL DISCRIMINATION COMPLAINT FORM

Pursuant to Chapter 12 Non-Discrimination & Harassment Policy of the Mason County Personnel Policies, reports of discrimination and/or harassment may be reported to your department official/supervisor, to the Human Resources Department, or to the Prosecuting Attorney.

All Take-Home Vehicle assignments for County issued vehicles will be reviewed by the BOCC annually.

Assignment of a County vehicle shall not be made based on employee merit or employee status.

The need for communication access (car radio, telephone, etc.) shall not be considered adequate justification for a County vehicle assignment.

Wherever possible, assigned County vehicles shall be picked up and dropped off at designated County parking area, thereby avoiding the assignment of Take-Home Vehicles.

13.5 EMERGENCY RESPONSES

Take-Home Vehicles may be assigned to county employees who:

1. Are called out at least 12 times per quarter, or 48 times a year and have primary responsibility to respond to emergencies which require immediate response to protect life or property; and

2. Cannot use alternative forms of transportation to respond to emergencies; and

3. Cannot pick-up County-owned assigned vehicles at designated sites without impacting the employee's ability to respond to emergencies, which require immediate response to protect life or property.
Emergency response assignments should be supported by data demonstrating the actual number and nature of emergency responses in the prior year, and estimates of future emergency responses. There must be an explanation as to why an employee cannot use alternative forms of transportation to respond to the emergencies or pick up county-owned or leased assigned vehicles at designated parking areas.

### 13.6 SPECIAL EQUIPMENT VEHICLES

Take-home vehicles may be assigned if an employee needs specialized equipment or a special vehicle to perform county work outside of an employee's normally scheduled workday.

2. Employees must have primary responsibility to respond to emergencies.
3. Special equipment vehicle assignments shall be supported by information describing the special equipment needed to perform the county work.

### 13.7 ECONOMIC BENEFIT TO THE COUNTY

Take-home vehicles may be assigned if employee’s private vehicle mileage reimbursement costs are greater than the commuting costs for an assigned county vehicle with overnight vehicle usage.

1. Lost productivity costs, the cost of the time it takes an employee to travel from a designated county parking facility to their work station, shall not be included in the calculation of economic benefit to the county.
2. There must be an explanation as to why an employee cannot use alternative forms of transportation or pick up county-owned or leased vehicles at designated parking areas.
3. Tax treatment of all vehicle assignments shall be subject to current regulations.

### 13.8 TEMPORARY TAKE-HOME VEHICLE ASSIGNMENT

Occasional overnight usage of County-owned or leased vehicles is permitted. Such occasional usage of County vehicles may occur when an employee conducts County business away from the employee's normal place of work, and outside an employee's normally scheduled workday. Other types of occasional overnight usage is permitted when the following conditions exist:
1. Inclement weather conditions: When employee is on-call and has primary responsibility to respond.

13.11 DEPARTMENT HEADS AND ELECTED OFFICIALS RESPONSIBILITIES

3. Work location
4. Vehicle number
5. Vehicle type

1. The employee commute mileage shall not be greater than the business mileage.

4. There must be no other employees on duty and available to respond or perform the emergency work during their normal work shift.
5. Before approving Take-Home Vehicle Assignment, the Elected shall first consider whether occasional overnight assignment, temporary on-call status or reimbursement for the use of a private vehicle will be of greater economic benefit to the county than a Take-Home Vehicle Assignment.
6. The employee has primary countywide custodial control of resources used during emergency response, and who must be available for any and all emergencies.

13.12 SHERIFF’S OFFICE RESPONSIBILITIES

The Sheriff or the Sheriff’s designee shall:

Prepare a Vehicle Take-Home Authorization Request Form and submit to Budget Management for presentation to the BOCC. These forms should be submitted by

13.13 EMPLOYEE'S RESPONSIBILITIES

A County owned or leased Take-Home vehicle is a fringe benefit that may generate a tax liability. If a request for a Take-Home Vehicle is approved, it is the responsibility of the employee to contact payroll and determine the tax liability.

The employee is also responsible for submitting monthly mileage report to Budget Management by the 5th working day of the month. Monthly mileage reports are required for all Take-Home assignments, with the exception of Commissioned Officers of the Sheriff.

[PER RESOLUTION 19-17, 04/11/2017]

13.15 DRIVERS LICENSE AND INSURANCE REQUIREMENTS

The County has auto liability coverage on its Mason County vehicles. Authorized employees, appointed or authorized representatives and persons, or volunteers driving Mason County vehicles are covered under the County's liability coverage. However, employees using their personal vehicles for County business are not included in the County's insurance coverage and, therefore their personal vehicle insurance is responsible for accidents, regardless of
whether the accident occurred while they were on County business. The mileage reimbursement received by employees for approved use of personal vehicles includes, in part, a reimbursement for personal insurance coverage. Employees should consult with their insurance agent/company to inquire about what coverage exists while using their personal vehicles for County business.

1. Employees shall provide valid proof of automobile liability/property damage insurance with policy coverage limits that meet the Washington State minimum requirements.
2. When an employee is using their privately owned vehicle pursuant to County policy, the individual's insurance shall be considered the primary insurance coverage with County coverage potentially available for secondary or excess coverage.
3. Job applicants who have reached the final interview stage of the employment selection process will provide the county with a "Driving Record" prior to being offered the position. This applies to both internal and external applicants and only to those applicants whose job would require them to operate county owned or leased vehicles on a regular (routine) basis.

13.16 USE OF PERSONAL VEHICLES FOR COUNTY BUSINESS

Employee's use of personal vehicles for county business travel purposes is subject to the approval of the department head or elected official. Employees may be required to utilize a county vehicle based on cost or safety considerations. Authorization to use private vehicles may be given on a trip-by-trip or standing approval basis. Upon request, employees are required to provide to their supervisor proof that they possess a valid motor vehicle operator's license, proof of current vehicle liability insurance and a current year Vehicle Use Agreement on file.

Private vehicles utilized for county business are considered official vehicles and must conform to the following requirements:

1. The vehicle must meet legal requirements to operate on a public highway.
2. The vehicle must be in sound mechanical condition and present no safety risks.
3. Employees must submit a mileage reimbursement form, to receive reimbursement based on the county's current mileage rate allowance. The standard mileage rate reimbursement covers gas, maintenance, repairs and insurance for work related driving.
13.17 USE OF COUNTY VEHICLES FOR PERSONAL BUSINESS

Employees using county vehicles on a continuing assignment or trip-by-trip basis are prohibited from using vehicles for personal business except as provided herein. Unauthorized personal use of a county vehicle may result in disciplinary action, up to and including termination of employment.

All employees should exercise reasonable judgment regarding the use of a county vehicle for personal purposes. Personal use of a county vehicle may be permitted, subject to the approval of the applicable department head or elected official, when the use serves the county's interests, results in negligible expense, and/or is justified by compelling circumstances and doesn't pose a "bad appearance" even if on personal time — (e.g., at a bar or liquor store).

13.18 INCIDENTAL TRAVEL AND STOPS

Employee-drivers should remember that public perception of county employees is important and influenced by how and where the public observes county vehicles being used. Employee-drivers should not make incidental stops at locations the public would generally perceive as inappropriate.

13.19 POLITICAL USE OF COUNTY VEHICLES

No employee or person may use any vehicle owned, leased or operated by the county for any trip which is exclusively for the purposes of campaigning in support of, or in opposition to, any candidate or cause for national, county or local office, unless use of the vehicle is required for purposes of security protection provided by the county or local governmental unit.

13.20 USE OF COUNTY VEHICLES BY OTHER INDIVIDUALS

1. Use of county vehicles by temporary employees or volunteers requires authorization from the department head or elected official. Temporary county employees and volunteers are subject to the applicable provisions of this policy, including signing the Vehicle Use Agreement and providing proof of valid driver’s license.

2. Interagency use of a county vehicle requires authorization from the county's elected official. Use of a county vehicle under an interagency agreement is subject to the provisions mutually agreed upon by the agencies involved.

13.21 PERMITTED AND PROHIBITED USES OF COUNTY AND PERSONAL VEHICLES FOR COUNTY BUSINESS

The following policies govern all vehicle use for county business:
1. All drivers and passengers must comply with all the motor vehicles laws of the state of Washington or any other state in which the vehicle is operated, including seatbelt and cell phone laws.

2. Vehicles shall be locked when unattended with the engine turned off. Keys shall not be left in the ignition unless authorized by the department head or elected official.

3. No person may use a county vehicle, or permit the use of a county vehicle, or operate a personal vehicle for county business in the following prohibited manners:

As described in Policy 8.12- Substance Abuse, employees are responsible for informing their supervisor of the possible effects of the medication and expected duration of its use.
   c. Tobacco use (smoking and non-smoking products and devices) is prohibited in county-owned or leased vehicles. This does not include smoking in personal vehicles used for county-related business.
   d. Transporting non-county employee passengers, including family members, is not permitted unless authorized by the employee's department head or elected official.

Exceptions to this section include: operators of an authorized emergency motor vehicle; a driver using a wireless communications device in the hands-free mode; using devices to report illegal activity or summon medical aid or other emergency assistance or to prevent injury to a person or property; using hearing aids.
   g. Use for personal gain, such as delivering goods or services.
   h. Modifications including affixing signs, stickers, antennas, bike racks, ski racks, etc. Modifications to county vehicles may be undertaken only with the prior written consent of the department head or elected official. The County Shop or its designee will perform any modification to a county-owned or leased vehicle.
i. Transporting of animals — Allowed only with prior written consent of the department head or elected official - (excludes Animal Control activities and transportation and use of canines or other animals by the Sheriff’s Office).

j. Hauling loads that exceed the rated capacity of the vehicle or that could cause damage to the vehicle (i.e., hauling firewood or gravel in a passenger vehicle).

k. Use of trailer hitches and towing – allowed only with prior approval by either the County Shop or Motor Pool Manager. The County Shop or Motor Pool must evaluate hitches and lights.

13.22 VEHICLE USE AGREEMENT (VUA) - REQUEST FOR DRIVING RECORD

The purpose of the VUA is to ensure employees are licensed to operate a motor vehicle and possess auto liability insurance to operate their personal vehicle for county business. Use of a county (owned, rented or leased) or personal vehicle for business purposes is contingent upon the following conditions and requirements:

1. Vehicle Use Agreement - Each department head and elected official or their designee will acquire a signed Vehicle Use Agreement (VUA), annually from each of their employees that operate a personal or county-owned/leased vehicle for business purposes. This includes those employees required to hold a Commercial Driver's License (CDL).

Mason County to acquire a copy of their driving abstract from the Department of Licensing per RCW 46.52.130.
b. All other employees who may drive a county vehicle or a personal vehicle for the use of county business may have their driver abstract requested from the Department of Licensing per RCW 46.52.130 if requested by their department head, elected official and/or the Risk Management Office.

13.23 DRIVER DISQUALIFICATION AND REVIEW

County employees and other authorized agents of the county may become disqualified as a driver for county business for any of the following conditions:

6. Drivers denied the use of a county vehicle based on an unsatisfactory driving record may request a review of the denial through their department head or elected official. The Risk Management Office should be consulted regarding any requests for review.
7. A requested review will be investigated by the department head or elected official and the Risk Management Office then approved or denied by the elected official in writing. Approval or denial will be documented and kept on file in the Risk Management Office.

13.24 ACCIDENTS AND CITATIONS

Drivers are personally responsible for the cost of all traffic citations, parking tickets, etc. Passengers are personally responsible for the cost of any traffic citation they may receive while riding in a county-owned/leased vehicle or a personal vehicle being used for county business - (i.e. seatbelt violations, parking violations, throwing object from vehicle). The offending employee shall pay citation fines promptly.

3. Employees shall report moving violation citations that occur while operating a vehicle for county business within the first business day of the issuance of the citation. Employees will notify their immediate supervisor, who in turn, will forward the report to the Risk Management Office.

13.25 COMMERCIAL DRIVER LICENSE

13.26 COUNTY VEHICLE RELATED PURCHASES

14.6 EMAIL MANAGEMENT

Overview:

Recognizing that e-mail messages that meet the definition of a public record must be managed according to approved records retention periods, Mason County has implemented a process to support the proper management of e-mail records. It is the responsibility of all County employees to manage records according to retention requirements mandated by federal, state and/or local statute, grant agreement, and/or other contractual obligations and Mason County’s policies and procedures.

Storing every email is not the same as managing public records created and/or received as emails. Such a strategy is unlikely to be sustainable in the long run, will make it harder to locate the public records that do need to be retained and may not be the most efficient use of agency resources.

Mason County supports appropriate management of e-mail messages through:

• Implementation of an email archiving solutions that provides central storage and access of e-mail messages that meet the definition of a public record.
• Development of user procedures and guidelines.
• Training for email storage is available to all employees through the Secretary of State [https://www.sos.wa.gov/archives/recordsmanagement/managing-emails.aspx](https://www.sos.wa.gov/archives/recordsmanagement/managing-emails.aspx). Please contact your department’s records retention staff for assistance.

Policy:

1. All e-mail messages sent or received that are related to the conduct of County business must be evaluated for the function and content of the
record. The function/content of each e-mail message should be evaluated against the following criteria of a public record:

- Was the email created in the course of doing County business?
- Was the email received for action?
- Does the email document County activities, decisions, or actions?
- Is the email mandated by statutes or regulations?
- Does the email support financial obligations or legal claims?
- Does the email communicate County requirements?

2. Email messages that meet the definition of a public record must be managed according to their approved retention period in their native format.

3. All email messages sent or received from a County email address will be retained for a minimum of 90 days by the County’s email system.

4. Employees have 90 days from the date an email message was created or received to determine if an email meets the definition of a public record. All emails that are public records must be retained in their native format for their approved records retention period. Retention periods are based on functional use of the information contained in each message.

5. Employees shall place email messages in email storage folders for the appropriate retention period as approved by the Washington State Local Records Committee Records Retention Schedule. The email archiving system will retain email based on folder designation. It is critical to use the appropriate email storage folder.

6. 90 days after the received date, e-mails will be purged from the County’s email system (Outlook). E-mails in your in-box will be retained by the county’s archiving system (Retain) for two years and deleted e-mails will be retained for one year. This process will purge archived emails that have met their required retention period and junk e-mails. Purged means deleted and unrecoverable.

7. In order to comply with records management requirements and the Washington State Public Records Act (RCW 42.56) email messages that meet the definition of a public record must be stored within technology systems supported by the County. The County’s email archiving solution is considered the official system of record for County email messages. Requests for alternative methods for retaining emails must be submitted to the Information Technology Department for approval.

8. The creation of new Microsoft Outlook Personal Storage Table (.pst) files is prohibited.
